Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) the compensation and other emoluments attached to the office of Secretary of the Treasury shall be those in effect January 1, 1989, notwithstanding any increase in such compensation or emoluments after that date under—

Sec. 601. Sense of Congress.

29 USC 2601.

SEC. 2. FINDINGS AND PURPOSES.(a) **FINDINGS.**—Congress finds that—(1) the number of single-parent households and two-parent
households in which the single parent or both parents work
is increasing significantly;

(2) it is important for the development of children and the family unit that fathers and mothers be able to participate in early childrearing and the care of family members who have serious health conditions;

(3) the lack of employment policies to accommodate working parents can force individuals to choose between job security and parenting;

(4) there is inadequate job security for employees who have serious health conditions that prevent them from working for temporary periods;

(5) due to the nature of the roles of men and women in our society, the primary responsibility for family caretaking often falls on women, and such responsibility affects the working lives of women more than it affects the working lives of men; and

(6) employment standards that apply to one gender only have serious potential for encouraging employers to discriminate against employees and applicants for employment who are of that gender.

(b) PURPOSES.—It is the purpose of this Act—

(1) to balance the demands of the workplace with the needs of families, to promote the stability and economic security of families, and to promote national interests in preserving family integrity;

(2) to entitle employees to take reasonable leave for medical reasons, for the birth or adoption of a child, and for the care of a child, spouse, or parent who has a serious health condition;

(3) to accomplish the purposes described in paragraphs (1) and (2) in a manner that accommodates the legitimate interests of employers;

(4) to accomplish the purposes described in paragraphs (1) and (2) in a manner that, consistent with the Equal Protection Clause of the Fourteenth Amendment, minimizes the potential for employment discrimination on the basis of sex by ensuring generally that leave is available for eligible medical reasons (including maternity-related disability) and for compelling family reasons, on a gender-neutral basis; and

(5) to promote the goal of equal employment opportunity for women and men, pursuant to such clause.

(C) In order to care for the spouse, or a son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent has a serious health condition.

(D) Because of a serious health condition that makes the employee unable to perform the functions of the position of such employee.

(2) EXPIRATION OF ENTITLEMENT.—The entitlement to leave under subparagraphs (A) and (B) of paragraph (1) for a birth or placement of a son or daughter shall expire at the end of the 12-month period beginning on the date of such birth or placement.

(b) LEAVE TAKEN INTERMITTENTLY OR ON A REDUCED LEAVE SCHEDULE.—

(1) IN GENERAL.—Leave under subparagraph (A) or (B) of subsection (a)(1) shall not be taken by an employee intermit-

tently or on a reduced leave schedule unless the employee and the employer of the employee agree otherwise. Subject to paragraph (2), subsection (e)(2), and section 103(b)(5), leave under subparagraph (C) or (D) of subsection (a)(1) may be taken intermittently or on a reduced leave schedule when medically necessary. The taking of leave intermittently or on a reduced leave schedule pursuant to this paragraph shall not result in a reduction in the total amount of leave to which the employee is entitled under subsection (a) beyond the amount of leave actually taken.

(2) **ALTERNATIVE POSITION.**—If an employee requests intermittent leave, or leave on a reduced leave schedule, under subparagraph (C) or (D) of subsection (a)(1), that is foreseeable based on planned medical treatment, the employer may require such employee to transfer temporarily to an available alternative position offered by the employer for which the employee is qualified and that—

(A) has equivalent pay and benefits; and

(B) better accommodates recurring periods of leave than the regular employment position of the employee.

(c) **UNPAID LEAVE PERMITTED.**—Except as provided in subsection (d), leave granted under subsection (a) may consist of unpaid leave. Where an employee is otherwise exempt under regulations issued by the Secretary pursuant to section 13(a)(1) of the Fair Labor Standards Act of 1938 (29 U.S.C. 213(a)(1)), the compliance of an employer with this title by providing unpaid leave shall not affect the exempt status of the employee under such section.

(d) **RELATIONSHIP TO PAID LEAVE.**—

(1) **UNPAID LEAVE.**—If an employer provides paid leave for fewer than 12 workweeks, the additional weeks of leave necessary to attain the 12 workweeks of leave required under this title may be provided without compensation.

(2) **SUBSTITUTION OF PAID LEAVE.**—

(A) **IN GENERAL.**—An eligible employee may elect, or an employer may require the employee, to substitute any of the accrued paid vacation leave, personal leave, or family leave of the employee for leave provided under subparagraph (A), (B), or (C) of subsection (a)(1) for any part of the 12-week period of such leave under such subsection.

(B) **SERIOUS HEALTH CONDITION.**—An eligible employee may elect, or an employer may require the employee, to substitute any of the accrued paid vacation leave, personal leave, or medical or sick leave of the employee for leave provided under subparagraph (C) or (D) of subsection (a)(1) for any part of the 12-week period of such leave under such subsection, except that nothing in this title shall require an employer to provide paid sick leave or paid medical leave in any situation in which such employer would not normally provide any such paid leave.

(e) **FORESEEABLE LEAVE.**—

(1) **REQUIREMENT OF NOTICE.**—In any case in which the necessity for leave under subparagraph (A) or (B) of subsection (a)(1) is foreseeable based on an expected birth or placement, the employee shall provide the employer with not less than 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave under such subparagraph, except that if the date of the birth or placement requires

leave to begin in less than 30 days, the employee shall provide such notice as is practicable.

(2) **DUTIES OF EMPLOYEE.**—In any case in which the necessity for leave under subparagraph (C) or (D) of subsection (a)(1) is foreseeable based on planned medical treatment, the employee—

(A) shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the employer, subject to the approval of the health care provider of the employee or the health care provider of the son, daughter, spouse, or parent of the employee, as appropriate; and

(B) shall provide the employer with not less than 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave under such subparagraph, except that if the date of the treatment requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable.

(f) **SPOUSES EMPLOYED BY THE SAME EMPLOYER.**—In any case in which a husband and wife entitled to leave under subsection (a) are employed by the same employer, the aggregate number of workweeks of leave to which both may be entitled may be limited to 12 workweeks during any 12-month period, if such leave is taken—

(1) under subparagraph (A) or (B) of subsection (a)(1);

or

(2) to care for a sick parent under subparagraph (C) of such subsection.

SEC. 103. CERTIFICATION.

29 USC 2613.

(a) **IN GENERAL.**—An employer may require that a request for leave under subparagraph (C) or (D) of section 102(a)(1) be supported by a certification issued by the health care provider of the eligible employee or of the son, daughter, spouse, or parent of the employee, as appropriate. The employee shall provide, in a timely manner, a copy of such certification to the employer.

(b) **SUFFICIENT CERTIFICATION.**—Certification provided under subsection (a) shall be sufficient if it states—

(1) the date on which the serious health condition commenced;

(2) the probable duration of the condition;

(3) the appropriate medical facts within the knowledge of the health care provider regarding the condition;

(4)(A) for purposes of leave under section 102(a)(1)(C), a statement that the eligible employee is needed to care for the son, daughter, spouse, or parent and an estimate of the amount of time that such employee is needed to care for the son, daughter, spouse, or parent; and

(B) for purposes of leave under section 102(a)(1)(D), a statement that the employee is unable to perform the functions of the position of the employee;

(5) in the case of certification for intermittent leave, or leave on a reduced leave schedule, for planned medical treatment, the dates on which such treatment is expected to be given and the duration of such treatment;

(6) in the case of certification for intermittent leave, or leave on a reduced leave schedule, under section 102(a)(1)(D),

a statement of the medical necessity for the intermittent leave or leave on a reduced leave schedule, and the expected duration of the intermittent leave or reduced leave schedule; and

(7) in the case of certification for intermittent leave, or leave on a reduced leave schedule, under section 102(a)(1)(C), a statement that the employee's intermittent leave or leave on a reduced leave schedule is necessary for the care of the son, daughter, parent, or spouse who has a serious health condition, or will assist in their recovery, and the expected duration and schedule of the intermittent leave or reduced leave schedule.

(c) **SECOND OPINION.**—

(1) **IN GENERAL.**—In any case in which the employer has reason to doubt the validity of the certification provided under subsection (a) for leave under subparagraph (C) or (D) of section 102(a)(1), the employer may require, at the expense of the employer, that the eligible employee obtain the opinion of a second health care provider designated or approved by the employer concerning any information certified under subsection (b) for such leave.

(2) **LIMITATION.**—A health care provider designated or approved under paragraph (1) shall not be employed on a regular basis by the employer.

(d) **RESOLUTION OF CONFLICTING OPINIONS.**—

(1) **IN GENERAL.**—In any case in which the second opinion described in subsection (c) differs from the opinion in the original certification provided under subsection (a), the employer may require, at the expense of the employer, that the employee obtain the opinion of a third health care provider designated or approved jointly by the employer and the employee concerning the information certified under subsection (b).

(2) **FINALITY.**—The opinion of the third health care provider concerning the information certified under subsection (b) shall be considered to be final and shall be binding on the employer and the employee.

(e) **SUBSEQUENT RECERTIFICATION.**—The employer may require that the eligible employee obtain subsequent recertifications on a reasonable basis.

(1) **IN GENERAL.**—Except as provided in subsection (b), any eligible employee who takes leave under section 102 for the intended purpose of the leave shall be entitled, on return from such leave—

(A) to be restored by the employer to the position of employment held by the employee when the leave commenced; or

(B) to be restored to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

(2) **LOSS OF BENEFITS.**—The taking of leave under section 102 shall not result in the loss of any employment benefit accrued prior to the date on which the leave commenced.

(3) **LIMITATIONS.**—Nothing in this section shall be construed to entitle any restored employee to—

(A) the accrual of any seniority or employment benefits during any period of leave; or

(B) any right, benefit, or position of employment other than any right, benefit, or position to which the employee would have been entitled had the employee not taken the leave.

(4) CERTIFICATION.—As a condition of restoration under paragraph (1) for an employee who has taken leave under section 102(a)(1)(D), the employer may have a uniformly applied practice or policy that requires each such employee to receive certification from the health care provider of the employee that the employee is able to resume work, except that nothing in this paragraph shall supersede a valid State or local law or a collective bargaining agreement that governs the return to work of such employees.

(5) CONSTRUCTION.—Nothing in this subsection shall be construed to prohibit an employer from requiring an employee on leave under section 102 to report periodically to the employer on the status and intention of the employee to return to work.

(b) EXEMPTION CONCERNING CERTAIN HIGHLY COMPENSATED EMPLOYEES.—

(1) DENIAL OF RESTORATION.—An employer may deny restoration under subsection (a) to any eligible employee described in paragraph (2) if—

(B) the employer notifies the employee of the intent of the employer to deny restoration on such basis at the time the employer determines that such injury would occur; and

(C) in any case in which the leave has commenced, the employee elects not to return to employment after receiving such notice.

(2) FAILURE TO RETURN FROM LEAVE.—The employer may recover the premium that the employer paid for maintaining coverage for the employee under such group health plan during any period of unpaid leave under section 102 if—

(A) the employee fails to return from leave under section 102 after the period of leave to which the employee is entitled has expired; and

(B) the employee fails to return to work for a reason other than—

(i) the continuation, recurrence, or onset of a serious health condition that entitles the employee to leave under subparagraph (C) or (D) of section 102(a)(1); or

(ii) other circumstances beyond the control of the employee.

(3) CERTIFICATION.—

(A) ISSUANCE.—An employer may require that a claim that an employee is unable to return to work because of the continuation, recurrence, or onset of the serious health condition described in paragraph (2)(B)(i) be supported by—

(i) a certification issued by the health care provider of the son, daughter, spouse, or parent of the employee, as appropriate, in the case of an employee unable to return to work because of a condition specified in section 102(a)(1)(C); or

(ii) a certification issued by the health care provider of the eligible employee, in the case of an employee unable to return to work because of a condition specified in section 102(a)(1)(D).

(B) COPY.—The employee shall provide, in a timely manner, a copy of such certification to the employer.

(C) SUFFICIENCY OF CERTIFICATION.—

(i) LEAVE DUE TO SERIOUS HEALTH CONDITION OF EMPLOYEE.—The certification described in subparagraph (A)(ii) shall be sufficient if the certification states that a serious health condition prevented the employee from being able to perform the functions of the position of the employee on the date that the leave of the employee expired.

(ii) LEAVE DUE TO SERIOUS HEALTH CONDITION OF FAMILY MEMBER.—The certification described in subparagraph (A)(i) shall be sufficient if the certification states that the employee is needed to care for the son, daughter, spouse, or parent who has a serious health condition on the date that the leave of the employee expired.

“(b)(1) Leave under subparagraph (A) or (B) of subsection (a)(1) shall not be taken by an employee intermittently or on a reduced leave schedule unless the employee and the employing agency of the employee agree otherwise. Subject to paragraph (2), subsection (e)(2), and section 6383(b)(5), leave under subparagraph (C) or (D) of subsection (a)(1) may be taken intermittently or on a reduced leave schedule when medically necessary. In the case of an employee who takes leave intermittently or on a reduced leave schedule pursuant to this paragraph, any hours of leave so taken by such employee shall be subtracted from the total amount of leave remaining available to such employee under subsection (a), for purposes of the 12-month period involved, on an hour-for-hour basis.

“(2) If an employee requests intermittent leave, or leave on a reduced leave schedule, under subparagraph (C) or (D) of subsection (a)(1), that is foreseeable based on planned medical treatment, the employing agency may require such employee to transfer temporarily to an available alternative position offered by the employing agency for which the employee is qualified and that—

“(A) has equivalent pay and benefits; and

“(B) better accommodates recurring periods of leave than the regular employment position of the employee.

“(c) Except as provided in subsection (d), leave granted under subsection (a) shall be leave without pay.

“(d) An employee may elect to substitute for leave under subparagraph (A), (B), (C), or (D) of subsection (a)(1) any of the employee’s accrued or accumulated annual or sick leave under subchapter I for any part of the 12-week period of leave under such subsection, except that nothing in this subchapter shall require an employing agency to provide paid sick leave in any situation in which such employing agency would not normally provide any such paid leave.

“(e)(1) In any case in which the necessity for leave under subparagraph (A) or (B) of subsection (a)(1) is foreseeable based on an expected birth or placement, the employee shall provide the employing agency with not less than 30 days’ notice, before the date the leave is to begin, of the employee’s intention to take leave under such subparagraph, except that if the date of the birth or placement requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable.

“(2) In any case in which the necessity for leave under subparagraph (C) or (D) of subsection (a)(1) is foreseeable based on planned medical treatment, the employee—

“(A) shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the employing agency, subject to the approval of the health care provider of the employee or the health care provider of the son, daughter, spouse, or parent of the employee, as appropriate; and

“(B) shall provide the employing agency with not less than 30 days’ notice, before the date the leave is to begin, of the employee’s intention to take leave under such subparagraph, except that if the date of the treatment requires leave to begin in less than 30 days, the employee shall provide such notice as is practicable.

“§ 6383. Certification

“(a) An employing agency may require that a request for leave under subparagraph (C) or (D) of section 6382(a)(1) be supported by certification issued by the health care provider of the employee or of the son, daughter, spouse, or parent of the employee, as appropriate. The employee shall provide, in a timely manner, a copy of such certification to the employing agency.

“(b) A certification provided under subsection (a) shall be sufficient if it states—

“(1) the date on which the serious health condition commenced;

“(2) the probable duration of the condition;

“(3) the appropriate medical facts within the knowledge of the health care provider regarding the condition;

“(4)(A) for purposes of leave under section 6382(a)(1)(C), a statement that the employee is needed to care for the son, daughter, spouse, or parent, and an estimate of the amount of time that such employee is needed to care for such son, daughter, spouse, or parent; and

“(B) for purposes of leave under section 6382(a)(1)(D), a statement that the employee is unable to perform the functions of the position of the employee; and

“(5) in the case of certification for intermittent leave, or leave on a reduced leave schedule, for planned medical treatment, the dates on which such treatment is expected to be given and the duration of such treatment.

“(c)(1) In any case in which the employing agency has reason to doubt the validity of the certification provided under subsection (a) for leave under subparagraph (C) or (D) of section 6382(a)(1), the employing agency may require, at the expense of the agency, that the employee obtain the opinion of a second health care provider designated or approved by the employing agency concerning any information certified under subsection (b) for such leave.

“(2) Any health care provider designated or approved under paragraph (1) shall not be employed on a regular basis by the employing agency.

“(d)(1) In any case in which the second opinion described in subsection (c) differs from the original certification provided under subsection (a), the employing agency may require, at the expense of the agency, that the employee obtain the opinion of a third health care provider designated or approved jointly by the employing agency and the employee concerning the information certified under subsection (b).

“(2) The opinion of the third health care provider concerning the information certified under subsection (b) shall be considered to be final and shall be binding on the employing agency and the employee.

“(e) The employing agency may require, at the expense of the agency, that the employee obtain subsequent recertifications on a reasonable basis.

“§ 6384. Employment and benefits protection

“(a) Any employee who takes leave under section 6382 for the intended purpose of the leave shall be entitled, upon return from such leave—

“(1) to be restored by the employing agency to the position held by the employee when the leave commenced; or

“(2) to be restored to an equivalent position with equivalent benefits, pay, status, and other terms and conditions of employment.

“(b) The taking of leave under section 6382 shall not result in the loss of any employment benefit accrued prior to the date on which the leave commenced.

“(c) Except as otherwise provided by or under law, nothing in this section shall be construed to entitle any restored employee to—

“(1) the accrual of any employment benefits during any period of leave; or

“(2) any right, benefit, or position of employment other than any right, benefit, or position to which the employee would have been entitled had the employee not taken the leave.

“(d) As a condition to restoration under subsection (a) for an employee who takes leave under section 6382(a)(1)(D), the employing agency may have a uniformly applied practice or policy that requires each such employee to receive certification from the health care provider of the employee that the employee is able to resume work.

“(e) Nothing in this section shall be construed to prohibit an employing agency from requiring an employee on leave under section 6382 to report periodically to the employing agency on the status and intention of the employee to return to work.

“§ 6385. Prohibition of coercion

“(a) An employee shall not directly or indirectly intimidate, threaten, or coerce, or attempt to intimidate, threaten, or coerce, any other employee for the purpose of interfering with the exercise of any rights which such other employee may have under this subchapter.

“(b) For the purpose of this section—

“(1) the term ‘intimidate, threaten, or coerce’ includes promising to confer or conferring any benefit (such as appointment, promotion, or compensation), or taking or threatening to take any reprisal (such as deprivation of appointment, promotion, or compensation); and

Joint Resolution

Mar. 20, 1993
[S.J. Res. 36]

To proclaim March 20, 1993, as "National Agriculture Day".

Whereas agriculture is the Nation's largest and most basic industry, and its associated production, processing, and marketing segments together provide more jobs than any other single industry; Whereas the United States agricultural sector serves all Americans by providing food, fiber, and other basic necessities of life; Whereas the performance of the agricultural economy is vital to maintaining the strength of our national economy, the standard of living of our citizens, and our presence in the world trade markets;

Whereas the Nation's heritage of family-owned, family-operated farms and ranches has been the core of the American Agricultural system and continues to be the best means for assuring the protection of our natural resources and the production of an adequate and affordable supply of food and fiber for future generations of Americans;

Whereas the American agricultural system provides American consumers with a stable supply of the highest quality food and fiber for the lowest cost per capita in the world;

Whereas American agriculture continually seeks to maintain and improve the high level of product quality and safety expected by the consumer;

Whereas the public should be aware of the contributions of all people—men and women—who are a part of American agriculture and its contributions to American life, health, and prosperity;

Whereas women play a vital role in maintaining the family farm system, both as sole operators and as working partners, and are also attaining important leadership roles throughout the American agricultural system;

Whereas farm workers are an indispensable part of the agricultural system as witnessed by their hard work and dedication;

Whereas scientists and researchers play an integral part in the agricultural system in their search for better and more efficient ways to produce and process safe and nutritious agricultural products;

Whereas farmers and food processors are responding to the desire of health-conscious American consumers by developing more health-oriented food products;

Whereas distributors play an important role in transporting agricultural products to retailers who in turn make the products available to the consumer;

Whereas our youth—the future of our Nation—have become involved through various organizations in increasing their understanding and our understanding of the importance of agriculture in today's society;

Whereas it is important that all Americans should understand the role that agriculture plays in their lives and well-being, whether they live in urban or rural areas;

Whereas since 1973, the first day of spring has been celebrated as National Agriculture Day by farmers and ranchers, commodity and farm organizations, cooperatives and agribusiness organizations, nonprofit and community organizations, other persons involved in the agricultural system, and Federal, State, and local governments; and

Whereas 1993 marks the twentieth celebration of National Agriculture Day: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That March 20, 1993, is proclaimed “National Agriculture Day”, and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe this day with appropriate ceremonies and activities during the week of March 14 through March 20.

Joint Resolution

Designating April 2, 1993, as "Education and Sharing Day, U.S.A.".

Apr. 12, 1993
[H.J. Res. 150]

Whereas the Congress recognizes that ethical teachings and values have played a prominent role in the foundation of civilization and in the history of our great Nation;

Whereas President William J. Clinton has indicated that ethical considerations will inform all of the decisions of his Administration;

Whereas ethical teachings and values have formed the cornerstone of society since the dawn of civilization and found expression in the Seven Noahide Laws;

Whereas sharing and education represent two pillars of these Laws and of ethical conduct;

Whereas Rabbi Menachem Mendel Schneerson, the leader of the Lubavitch movement, is revered worldwide for the contributions he has made to education and sharing;

Whereas the 2,000 educational, social, and rehabilitative institutions administered by Lubavitch advance these ideals for the millions of people whom they serve each year;

Whereas Rabbi Menachem Mendel Schneerson has interpreted, in the miraculous events of our times, the increasing vitality of these ideals for the furtherance of human understanding and betterment;

Whereas the extraordinary life and work of Rabbi Menachem Mendel Schneerson have long been acknowledged by the Congress through the enactment of Joint Resolutions designating his birthday in each of the last 15 years as "Education Day, U.S.A.";

Whereas the Lubavicher Rebbe's 91st birthday falls on April 2, 1993;

Whereas in tribute to this esteemed spiritual leader, the Lubavicher Rebbe's birthday will be designated as "Education and Sharing Day, U.S.A."; and

Whereas such designation will signal a renewal of our Nation's commitment to greater acts of charity, to an enriched emphasis on education, and to the furtherance of ethical teachings and values in the affairs of government and in the lives of our citizens:

Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That April 2, 1993, the birthday, and the culmination of the celebration of the

90th birthday year, of Rabbi Menachem Mendel Schneerson, leader of the worldwide Lubavitch movement, is designated as "Education and Sharing Day, U.S.A.". The President is requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities.

Joint Resolution

Concerning the dedication of the United States Holocaust Memorial Museum.

Apr. 12, 1993

[H.J. Res. 156]

Whereas, in 1980, the Congress of the United States established the United States Holocaust Memorial Council (Public Law 96-388, dated October 7, 1980) by unanimous vote and mandated it with the creation of a permanent living memorial museum to the victims of the Holocaust;

Whereas, through the great generosity and unstinting efforts of thousands of individuals from all walks of life, the United States Holocaust Memorial Museum has now been built on Federal land with private contributions and will be officially dedicated on April 22, 1993;

Whereas, this institution will underscore the ideals of human rights and individual liberty this Nation was founded upon, as expressed by President George Washington in 1790, when he declared that the United States had created "a government which to bigotry gives no sanction, to persecution no assistance";

Whereas, four administrations and every Congress since 1980, and especially Members of Congress and individuals who have served on the Council and officials of the United States Departments of State, the Interior, and Education, have joined with the American public in bringing this institution to life; and

Whereas, this museum signifies national dedication to remembering the Holocaust, and will serve as the Nation's leading educational facility to teach current and future generations of Americans about this tragic period of human history and its implications for our lives and the choices we make as individuals and societies against crimes based on hate and prejudice regarding race, religion, and sexual preference: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the One Hundred Third Congress officially commemorates the opening and recognizes the historic importance of this unique institution as it takes its place among the other great memorials and museums in our Nation's Capital that honor the democratic precepts this Nation is based upon; and be it further

Resolved, That Congress encourages all citizens of the United States, and all who come to Washington, District of Columbia, to visit the Museum and avail themselves of the opportunities presented within its walls to learn about the past and to contemplate the moral responsibilities of citizenship; and be it further

Resolved, That, in remembrance of those who perished in the Holocaust; in tribute to the survivors who came to the United States to build a new life, and who, with their families, have

contributed so much to the fabric of our diverse society; in recognition of heroic American soldiers who liberated prisoners of Nazi camps; in recognition of the anonymous bravery of rescuers from many lands who had the courage to care and placed their own lives in peril to help others in need; and in hope that Americans will learn from this museum the need to remain vigilant against bigotry and oppression; we welcome the United States Holocaust Memorial Museum to the center of our American heritage and state now, in recognition of the Museum's motto, that for the dead and the living and those yet to be born, we do bear witness.

Designating March 1993 and March 1994 both as "Women's History Month".

Whereas American women of every race, class, and ethnic background have made historical contributions to the growth and strength of our Nation in countless recorded and unrecorded ways;

Whereas American women have played and continue to play a critical economic, cultural, and social role in every sphere of the life of the Nation by constituting a significant portion of the labor force working inside and outside of the home;

Whereas American women have played a unique role throughout the history of the Nation by providing the majority of the volunteer labor force of the Nation;

Whereas American women were particularly important in the establishment of early charitable, philanthropic, and cultural institutions in our Nation;

Whereas American women of every race, class, and ethnic background served as early leaders in the forefront of every major progressive social change movement;

Whereas American women have been leaders not only in securing their own rights of suffrage and equal opportunity, but also in the abolitionist movement, the emancipation movement, the industrial labor movement, the civil rights movement, and other movements, especially the peace movement, which create a more fair and just society for all; and

Whereas despite these contributions, the role of American women in history has been consistently overlooked and undervalued in the literature, teaching, and study of American history: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That March

1993 and March 1994 are designated both as “Women’s History Month”, and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe that month with appropriate programs, ceremonies, and activities.

An Act

Apr. 16, 1993
[H.R. 239]

To amend the Stock Raising Homestead Act to resolve certain problems regarding subsurface estates, and for other purposes.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,***SECTION 1. MINING CLAIMS ON STOCK RAISING HOMESTEAD ACT LANDS.**

43 USC 299.

(a) **MINERAL ENTRY UNDER THE STOCK RAISING HOMESTEAD ACT.**—Section 9 of the Act of December 29, 1916, entitled “An Act to provide for stock-raising homesteads, and for other purposes” (43 U.S.C. 29), is amended by adding the following at the end thereof:

“(b) **EXPLORATION; LOCATION OF MINING CLAIMS; NOTICES.**—

“(1) **IN GENERAL.**—(A) Notwithstanding subsection (a) and any other provision of law to the contrary, after the effective date of this subsection no person other than the surface owner may enter lands subject to this Act to explore for, or to locate, a mining claim on such lands without—

“(i) filing a notice of intention to locate a mining claim pursuant to paragraph (2); and

“(ii) providing notice to the surface owner pursuant to paragraph (3).

“(B) Any person who has complied with the requirements referred to in subparagraph (A) may, during the authorized exploration period, in order to locate a mining claim, enter lands subject to this Act to undertake mineral activities related to exploration that cause no more than a minimal disturbance of surface resources and do not involve the use of mechanized earthmoving equipment, explosives, the construction of roads, drill pads, or the use of toxic or hazardous materials.

“(C) The authorized exploration period referred to in subparagraph (B) shall begin 30 days after notice is provided under paragraph (3) with respect to lands subject to such notice and shall end with the expiration of the 90-day period referred to in paragraph (2)(A) or any extension provided under paragraph (2).

“(2) **NOTICE OF INTENTION TO LOCATE A MINING CLAIM.**—Any person seeking to locate a mining claim on lands subject to this Act in order to engage in the mineral activities relating to exploration referred to under paragraph (1)(B) shall file with the Secretary of the Interior a notice of intention to locate a claim on the lands concerned. The notice shall be in such form as the Secretary shall prescribe. The notice shall contain the name and mailing address of the person filing

the notice and a legal description of the lands to which the notice applies. The legal description shall be based on the public land survey or on such other description as is sufficient to permit the Secretary to record the notice on the land status records of the Secretary. Whenever any person has filed a notice under this paragraph with respect to any lands, during the 90-day period following the date of such filing, or any extension thereof pursuant to this paragraph, no other person (including the surface owner) may—

“(A) file such a notice with respect to any portions of such lands;

“(B) explore for minerals or locate a mining claim on any portion of such lands; or

“(C) file an application to acquire any interest in any portion of such lands pursuant to section 209 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1719).

If, within such 90-day period, the person who filed a notice under this paragraph files a plan of operations with the Secretary pursuant to subsection (f), such 90-day period shall be extended until the approval or disapproval of the plan by the Secretary pursuant to subsection (f).

“(3) NOTICE TO SURFACE OWNER.—Any person who has filed a notice of intention to locate a mining claim under paragraph (2) for any lands subject to this Act shall provide written notice of such filing, by registered or certified mail with return receipt, to the surface owner (as evidenced by local tax records) of the lands covered by the notice under paragraph (2). The notice shall be provided at least 30 days before entering such lands and shall contain each of the following:

“(A) A brief description of the proposed mineral activities.

“(B) A map and legal description of the lands to be subject to mineral exploration.

“(C) The name, address and phone number of the person managing such activities.

“(D) A statement of the dates on which such activities will take place.

“(4) ACREAGE LIMITATIONS.—The total acreage covered at any time by notices of intention to locate a mining claim under paragraph (2) filed by any person and by affiliates of such person may not exceed 6,400 acres of lands subject to this Act in any one State and 1,280 acres of such lands for a single surface owner. For purposes of this paragraph, the term ‘affiliate’ means, with respect to any person, any other person which controls, is controlled by, or is under common control with, such person.

“(c) CONSENT.—Notwithstanding subsection (a) and any other provision of law, after the effective date of this subsection no person may engage in the conduct of mineral activities (other than those relating to exploration referred to in subsection (b)(1)(B)) on a mining claim located on lands subject to this Act without the written consent of the surface owner thereof unless the Secretary has authorized the conduct of such activities under subsection (d).

“(d) AUTHORIZED MINERAL ACTIVITIES.—The Secretary shall authorize a person to conduct mineral activities (other than those relating to exploration referred to in subsection (b)(1)(B)) on lands subject to this Act without the consent of the surface owner thereof

if such person complies with the requirements of subsections (e) and (f).

“(e) BOND.—(1) Before the Secretary may authorize any person to conduct mineral activities the Secretary shall require such person to post a bond or other financial guarantee in an amount to insure the completion of reclamation pursuant to this Act. Such bond or other financial guarantee shall ensure—

“(A) payment to the surface owner, after the completion of such mineral activities and reclamation, compensation for any permanent damages to crops and tangible improvements of the surface owner that resulted from mineral activities; and

“(B) payment to the surface owner of compensation for any permanent loss of income of the surface owner due to loss or impairment of grazing, or other uses of the land by the surface owner to the extent that reclamation required by the plan of operations would not permit such uses to continue at the level existing prior to the commencement of mineral activities.

“(2) In determining the bond amount to cover permanent loss of income under paragraph (1)(B), the Secretary shall consider, where appropriate, the potential loss of value due to the estimated permanent reduction in utilization of the land.

“(f) PLAN OR OPERATIONS.—(1) Before the Secretary may authorize any person to conduct mineral activities on lands subject to this Act, the Secretary shall require such person to submit a plan of operations. Such plan shall include procedures for—

“(A) the minimization of damages to crops and tangible improvements of the surface owner;

“(B) the minimization of disruption to grazing or other uses of the land by the surface owner; and

“(C) payment of a fee for the use of surface during mineral activities equivalent to the loss of income to the ranch operation as established pursuant to subsection (g).

“(2) The Secretary shall provide a copy of the proposed plan of operations to the surface owner at least 45 days prior to the date the Secretary makes a determination as to whether such plan complies with the requirements of this subsection. During such 45-day period the surface owner may submit comments and recommend modifications to the proposed plan of operations to the Secretary.

“(3)(A) The Secretary shall, within 60 days of receipt of the plan, approve the plan of operations if it complies with the requirements of this Act, including each of the following:

“(i) The proposed plan of operations is complete and accurate.

“(ii) The person submitting the proposed plan of operations has demonstrated that all other applicable Federal and State requirements have been met.

“(B) The Secretary shall notify the person submitting a plan of operations of any modifications to such plan required to bring it into compliance with the requirements of this Act. If the person submitting the plan agrees to modify such plan in a manner acceptable to the Secretary, the Secretary shall approve the plan as modified. In the event no agreement can be reached on the modifications to the plan which, in the opinion of the Secretary, will bring such plan into compliance with the requirements of this Act, then

the Secretary shall disapprove the plan and notify both the surface owner and the person submitting the plan of the decision.

“(C) The 60-day period referred to in subparagraph (A) may be extended by the Secretary where additional time is required to comply with other applicable requirements of law.

“(D) The Secretary shall suspend or revoke a plan of operation whenever the Secretary determines, on the Secretary’s own motion or on a motion made by the surface owner, that the person conducting mineral activities is in substantial noncompliance with the terms and conditions of an approved plan of operations and has failed to remedy a violation after notice from the Secretary within the time required by the Secretary.

“(4) Final approval of a plan of operations under this subsection shall be conditioned upon compliance with subsections (e) and (g).

“(g) FEE.—The fee referred to in subsection (f)(1) shall be—

“(1) paid to the surface owner by the person submitting the plan of operations;

“(2) paid in advance of any mineral activities or at such other time or times as may be agreed to by the surface owner and the person conducting such activities; and

“(3) established by the Secretary taking into account the acreage involved and the degree of potential disruption to existing surface uses during mineral activities (including the loss of income to the surface owner and such surface owner’s operations due to the loss or impairment of existing surface uses for the duration of the mineral activities), except that such fee shall not exceed the fair market value for the surface of the land.

“(h) RECLAMATION.—Lands affected by mineral activities under a plan of operations approved pursuant to subsection (f)(3) shall be reclaimed, to the maximum extent practicable, to a condition capable of supporting the uses to which such lands were capable of supporting prior to surface disturbance. Reclamation shall proceed as contemporaneously as practicable with the conduct of mineral activities.

“(i) STATE LAW.—(1) Nothing in this Act shall be construed as affecting any reclamation, bonding, inspection, enforcement, air or water quality standard or requirement of any State law or regulation which may be applicable to mineral activities on lands subject to this Act to the extent that such law or regulation is not inconsistent with this title.

“(2) Nothing in this Act shall be construed as affecting in any way the right of any person to enforce or protect, under applicable law, the interest of such person in water resources affected by mineral activities.

“(j) INSPECTIONS.—Should any surface owner of land subject to this Act have reason to believe that they are or may be adversely affected by mineral activities due to any violation of the terms and conditions of a plan of operations approved under subsection (f), such surface owner may request an inspection of such lands. The Secretary shall determine within 10 days of the receipt of the request whether the request states a reason to believe that a violation exists, except in the event the surface owner alleges and provides reason to believe that an imminent danger exists, the 10-day period shall be waived and the inspection conducted immediately. When an inspection is conducted under this para-

graph, the Secretary shall notify the surface owner and such surface owner shall be allowed to accompany the inspector on the inspection.

“(k) DAMAGES FOR FAILURE TO COMPLY.—(1) Whenever the surface owner of any land subject to this Act has suffered any permanent damages to crops or tangible improvements of the surface owner, or any permanent loss of income due to loss or impairment of grazing, or other uses of the land by the surface owner, if such damages or loss result from—

“(A) any mineral activity undertaken without the consent of the surface owner under subsection (c) or an authorization by the Secretary under subsection (d); or

“(B) the failure of the person conducting mineral activities to remedy to the satisfaction of the Secretary any substantial noncompliance with the terms and conditions of a plan under subsection (f);

the surface owner may bring an action in the appropriate United States district court for, and the court may award, double damages plus costs for willful misconduct or gross negligence.

“(2) The surface owner of any land subject to this Act may also bring an action in the appropriate United States district court for double damages plus costs for willful misconduct or gross negligence against any person undertaking any mineral activities on lands subject to this Act in violation of any requirement of subsection (b).

“(3) Any double damages plus costs awarded by the court under this subsection shall be reduced by the amount of any compensation which the surface owner has received (or is eligible to receive) pursuant to the bond or financial guarantee required under subsection (e).

“(l) PAYMENT OF FINANCIAL GUARANTEE.—The surface owner of any land subject to this Act may petition the Secretary for payment of all or any portion of a bond or other financial guarantee required under subsection (e) as compensation for any permanent damages to crops and tangible improvements of the surface owner, or any permanent loss of income due to loss or impairment of grazing, or other uses of the land by the surface owner. Pursuant to such a petition, the Secretary may use such bond or other guarantee to provide compensation to the surface owner for such damages and to insure the required reclamation.

“(m) BOND RELEASE.—The Secretary shall release the bond or other financial guarantee required under subsection (e) upon the successful completion of all requirements pursuant to a plan of operations approved under subsection (f).

“(n) CONVEYANCE TO SURFACE OWNER.—The Secretary shall take such actions as may be necessary to simplify the procedures which must be complied with by surface owners of lands subject to this Act who apply to the Secretary to obtain title to interests in such lands owned by the United States.

“(o) DEFINITIONS.—For the purposes of subsections (b) through (n)—

[S.J. Res. 62]

Whereas there were over thirty-five million crimes committed last year in America, with one violent crime occurring every seventeen seconds;

Whereas victims of crime across America deserve respect and assistance not only from the criminal justice system, but from society as well;

Whereas there is a crucial need to provide crime victims with quality programs and services to help them recover from the devastating psychological, physical, emotional, and financial hardships resulting from their victimization;

Whereas there are ten thousand public and private agencies and organizations in the United States that are dedicated to improving the plight of crime victims;

Joint Resolution

Designating May 30, 1993, through June 7, 1993, as a "Time for the National Observance of the Fiftieth Anniversary of World War II".

May 31, 1993
[H.J. Res. 80]

Whereas the brave men and women of the United States of America made tremendous sacrifices during World War II to save the world from tyranny and aggression;

Whereas the winds of freedom and democracy sweeping the globe today spring from the principles for which over four hundred thousand Americans gave their lives in World War II;

Whereas World War II and the events that led up to that war must be understood in order that we may better understand our own times, and more fully appreciate the reasons why eternal vigilance against any form of tyranny is so important;

Whereas the World War II era, as reflected in its family life, industry, and entertainment, was a unique period in American history, and epitomized our Nation's philosophy of hard work, courage, and tenacity in the face of adversity;

Whereas, between 1991 and 1995, over nine million American veterans of World War II will be holding reunions and conferences and otherwise commemorating the fiftieth anniversary of various events relating to World War II; and

Whereas June 4, 1993, marks the Battle of Midway, and June 6, 1993, marks the anniversary of D-Day: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That May 30,

1993, through June 7, 1993, is designated as a "Time for the National Observance of the Fiftieth Anniversary of World War II", and the President is authorized and requested to issue a proclamation calling on the people of the United States to observe that period with appropriate ceremonies and activities.

Joint Resolution

June 8, 1993
[H.J. Res. 78]

Designating the weeks beginning May 23, 1993, and May 15, 1994, as "Emergency Medical Services Week".

Whereas emergency medical services is a vital public service;

Whereas access to quality emergency care dramatically improves the survival and recovery rate of those who experience sudden illness or injury;

Whereas efforts to establish emergency medicine as a medical specialty began 25 years ago with the founding of the American College of Emergency Physicians in 1968;

Whereas the members of emergency medical services teams are ready to provide lifesaving care to those in need 24 hours a day, 7 days a week;

Whereas emergency medical services teams consist of emergency physicians, emergency nurses, emergency medical technicians, paramedics, firefighters, educators, administrators, and others;

Whereas approximately $\frac{2}{3}$ of all emergency medical services providers are volunteers;

Whereas the members of emergency medical services teams, whether career or volunteer, engage in thousands of hours of specialized training and continuing education to enhance their lifesaving skills;

Whereas Americans benefit daily from the knowledge and skills of these highly trained individuals;

Whereas it is appropriate to recognize the value and the accomplishments of emergency medical services providers by designating Emergency Medical Services Week; and

Whereas the designation of Emergency Medical Services Week will serve to educate all Americans about injury prevention and how to respond to a medical emergency: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the weeks beginning May 23, 1993, and May 15, 1994, are designated as “Emergency Medical Services Week” and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe such weeks with appropriate ceremonies and activities.

To designate the months of May 1993 and May 1994 as “National Trauma Awareness Month”.

Whereas more than 9,000,000 individuals in the United States suffer traumatic injury each year;
Whereas traumatic injury is the leading cause of death for individuals under 44 years of age in the United States;
Whereas every individual is a potential victim of traumatic injury;
Whereas traumatic injury often occurs without warning;
Whereas traumatic injury frequently renders its victims incapable of caring for themselves;
Whereas past inattention to the causes and effects of trauma has led to the inclusion of trauma among the most neglected medical conditions in the United States;
Whereas it is estimated that the people of the United States will spend more than \$175,000,000,000 this year on the problem of trauma;
Whereas trauma is preventable and increased efforts to prevent trauma would reduce or eliminate deaths and disability due to trauma;
Whereas the problem of trauma can be remedied only by prevention and treatment through emergency medical services and trauma systems; and
Whereas the people of the United States must be educated in the prevention and treatment of trauma and in the proper and effective use of emergency medical systems: Now, therefore, be it

Joint Resolution

Designating the week beginning June 6, 1993, and June 5, 1994, "Lyme Disease Awareness Week".

June 8, 1993
[S.J. Res. 43]

Whereas Lyme disease (borreliosis) is spread primarily by the bite of four types of ticks infected with the bacteria *Borrelia burgdorferi*;

Whereas Lyme disease-carrying ticks can be found across the country—in woods, mountains, beaches, even in our yards, and no effective tick control measures currently exist;

Whereas infected ticks can be carried by animals such as cats, dogs, horses, cows, goats, birds, and transferred to humans;

Whereas our pets and livestock can be infected with Lyme disease by ticks;

Whereas Lyme disease was first discovered in Europe in 1883 and scientists have recently proven its presence on Long Island as early as the 1940's;

Whereas Lyme disease was first found in Wisconsin in 1969, and derives its name from the diagnosis of a cluster of cases in the mid-1970's in Lyme, Connecticut;

Whereas forty-nine states reported more than forty thousand cases of Lyme disease from 1982 through 1991;

Whereas Lyme disease knows no season—the peak west coast and southern season is November to June, the peak east coast and northern season is April to October, and victims suffer all year round;

Whereas Lyme disease, easily treated soon after the bite with oral antibiotics, can be difficult to treat (by painful intravenous injections) if not discovered in time, and for some may be incurable;

Whereas Lyme disease is difficult to diagnose because there is no reliable test that can directly detect when the infection is present;

Whereas the early symptoms of Lyme disease may include rashes, severe headaches, fever, fatigue, and swollen glands;

Whereas if left untreated Lyme disease can affect every body system causing severe damage to the heart, brain, eyes, joints, lungs, liver, spleen, blood vessels, and kidneys;

Whereas the bacteria can cross the placenta and affect fetal development;

Whereas our children are the most vulnerable and most widely affected group;

Whereas the best cure for Lyme disease is prevention;

Whereas prevention of Lyme disease depends upon public awareness; and

Whereas education is essential to making the general public, health care professionals, employers, and insurers more knowledgeable about Lyme disease and its debilitating side effects: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the week beginning June 6, 1993, and June 5, 1994, is designated as “Lyme Disease Awareness Week”, and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe such week with appropriate programs, ceremonies, and activities.

Upon delivery to the appropriate State, all rights of the depositor against the Corporation with respect to the deposit shall be barred and the Corporation shall be deemed to have made payment to the depositor for purposes of section 11(g)(1).

“(3) REFUSAL OF APPROPRIATE STATE TO ACCEPT CUSTODY.—If the appropriate State declines to accept custody of the deposit tendered pursuant to paragraph (2)(B), the deposit shall not

“(4) TREATMENT OF UNITED STATES DEPOSITS.—If the deposit is a United States deposit it shall be delivered to the Secretary of the Treasury for deposit in the general fund of the Treasury. Upon delivery to the Secretary of the Treasury, all rights of the depositor against the Corporation with respect to the deposit shall be barred and the Corporation shall be deemed to have made payment to the depositor for purposes of section 11(g)(1).

“(5) REVERSION.—If a depositor does not claim the deposit delivered to the custody of the appropriate State pursuant to paragraph (2)(B) within 10 years of the date of delivery, the deposit shall be immediately refunded to the Corporation and become its property. All rights of the depositor against the appropriate State with respect to such deposit shall be barred as of the date of the refund to the Corporation.

To designate July 1, 1993, as "National NYSP Day".

Whereas the National Youth Sports Program (hereafter referred to as "NYSP") is a highly effective and comprehensive youth sports and educational instruction program in the United States for economically disadvantaged youth, ages 10 to 16 years old; Whereas over 69,000 economically disadvantaged young people participated in NYSP last year at United States colleges and universities in 153 cities, 44 States, and the District of Columbia; Whereas NYSP provides over 70,000 medical and follow-up examinations as well as health instruction by medical professionals to enrolled youth; Whereas NYSP provides hot United States Department of Agriculture-approved meals and snacks daily to all participating youth; Whereas the NYSP staff includes professional instructors with undergraduate degrees who offer educational instruction in drug education, AIDS, higher education, nutrition and health, and math and science, and who offer counseling on such topics as career opportunities, teen pregnancy, anti-gang strategies, and suicide prevention in an effort to promote personal responsibility; Whereas NYSP is administered by an advisory committee composed of community leaders and college and university personnel, and collaborates with local community action agencies and mayors' offices; Whereas the NYSP partnership between the public and private sectors ensures that Federal funds are used to provide direct services for youth, that institutions of higher education contribute facilities and personnel and pay the indirect costs of the program, and that public and private businesses donate equipment and supplies; and Whereas 1993 marks the 25th year that NYSP has provided economically disadvantaged youth with the opportunity to participate in healthy sports activities in order to encourage these youth to build good habits, to direct the competitive urge toward constructive ends, to stimulate the imagination to reach new goals, and to satisfy the human desire to belong: Now, therefore, be it

An Act

July 2, 1993
[H.R. 765]

To resolve the status of certain lands relinquished to the United States under the Act of June 4, 1897 (30 Stat. 11, 36), and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. FINDINGS AND PURPOSE.

(a) **FINDINGS.**—Congress finds the following:

(1) Pursuant to the invitation and requirements contained in the 15th paragraph under the heading “Surveying the Public Lands” in the Act of June 4, 1897 (30 Stat. 11, 36), as amended or supplemented by the Acts of June 6, 1900 (31 Stat. 588, 614), March 4, 1901 (31 Stat. 1010, 1037), and September 22, 1922 (42 Stat. 1067), certain landowners or entrymen within forest reserves acted to transfer their lands to the United States as the basis for an in lieu selection of other Federal lands (hereafter in this Act referred to as “lieu lands”) in exchange for such lands within such reserves (hereafter in this Act referred to as “base lands”).

(2) By the Act of March 3, 1905 (33 Stat. 1264), Congress repealed the in lieu selection provisions of the Act of June 4, 1897, as amended, and terminated the right to select lieu lands, but expressly preserved the rights of land owners who had valid pending applications for in lieu selections, most of which have subsequently been granted.

(3) Other persons affected by the Acts cited in paragraphs (1) and (2) who acted to transfer base lands, or their successors in interest, have never obtained either (A) a patent to the lieu lands or any other consideration for their relinquishment, or (B) a quitclaim of their base lands, notwithstanding relief legislation enacted in 1922 and 1930.

(4) By the Act of July 6, 1960 (74 Stat. 334), Congress established a procedure to compensate persons affected by the Acts cited in paragraphs (1) and (2) who had not received appropriate relief under prior legislation. However, no payments of such compensation were made under that Act.

(5) Section 4 of the Act of July 6, 1960, further provided that lands with respect to which compensation under that Act were or could have been made, and not previously disposed of by the United States, shall be a part of any national forest, national park, or other area withdrawn from the public domain wherein they are located.

(6) Absent further legislation, lengthy and expensive litigation will be required to resolve existing questions about the title to lands covered by section 4 of the 1960 Act.

(b) **PURPOSE.**—The purpose of this Act is to resolve the status of the title to base lands affected by the past legislation cited in subsection (a).

SEC. 2. IDENTIFICATION AND QUITCLAIM OF FEDERAL INTEREST IN BASE LANDS.

(a) **QUITCLAIM.**—Except as otherwise provided by this Act, and subject to valid existing rights, but notwithstanding any other provision of law, the United States hereby quitclaims to the listed owner or entryman, his heirs, devisees, successors, and assigns, all right, title, and interest of the United States in and to the base lands described on a final list published pursuant to subsection (d)(1), effective on the date of publication of such list.

(b) **PREPARATION OF INITIAL LISTS.**—(1) Not later than 6 months after the date of enactment of this Act, the Secretary of the Interior, with respect to lands under such Secretary's jurisdiction, and the Secretary of Agriculture with respect to National Forest System lands, shall each prepare an initial list of all parcels of base lands that were relinquished to the United States pursuant to the Act of June 4, 1897 (as amended), and for which selection or other rights under that Act or supplemental legislation were not realized or exercised.

(2) The initial lists prepared under paragraph (1) shall be based on information in the actual possession of the Secretaries of the Interior and Agriculture on the date of enactment of this Act, including information submitted to Congress pursuant to the directive contained in Senate Report No. 98-578, issued for the Fiscal Year 1985 Interior and Related Agencies Appropriation, as revised and updated. The initial lists shall be published and distributed for public review in accordance with procedures adopted by the Secretary concerned.

Public
information.

(3) For a period of 180 days after publication of a list pursuant to paragraph (2), persons asserting that particular parcels omitted from such a list should have been included may request the Secretary concerned to add such parcels to the appropriate list. The Secretary concerned shall add to the list any such parcels which the Secretary determines meet the conditions specified in paragraph (1).

(c) **NATIONALLY SIGNIFICANT LANDS.**—(1) During preparation or revision of an initial list under subsection (b), the Secretary concerned shall identify those listed lands which are located wholly or partially within any conservation system unit and all other listed lands which Congress has designated for specific management or which the Secretary concerned decides, in the concerned Secretary's sole discretion, should be retained in order to meet public, resource protection, or administrative needs. For purposes of this paragraph, the term "conservation system unit" means any unit of the National Park System, National Wildlife Refuge System, National Wild and Scenic Rivers System, National Trails System, or National Wilderness Preservation System, a national forest monument, or a national conservation area, a national recreation area, or any lands being studied for possible designation as part of such a system or unit.

ing rights arising from factors other than those described in subsection (b)(1), any right, title, and interest in and to lands identified pursuant to paragraph (1) and not previously vested in the United States is hereby vested and confirmed in the United States.

(3) In the same manner as the initial list was published and distributed pursuant to subsection (b)(2), the Secretary concerned shall publish and distribute an identification of all lands in which right, title, and interest is vested and confirmed in the United States by paragraph (2).

(d) FINAL LISTS.—(1) As soon as possible after considering any requests made pursuant to subsection (b)(3) and the identification of lands pursuant to subsection (c), the Secretary of the Interior and the Secretary of Agriculture shall each publish a final list, consisting of lands included on each Secretary's initial list not identified pursuant to subsection (c)(1). Unless a Secretary has published a final list on or before the date 24 months after the date of publication, pursuant to subsection (b)(2), of such Secretary's initial list, the initial list prepared by such Secretary shall be deemed on such date to be the final list required to be published by such Secretary, and thereafter no lands included on such initial list shall be excluded from operation of subsection (a) except lands located wholly or partially within a conservation system unit or any other area which Congress has designated for specific management.

(2) If after publication of a final list a court makes a final decision that a parcel of land was arbitrarily and capriciously excluded from an initial list as provided by subsection (b), such parcel shall be deemed to have been included on a final list published pursuant to paragraph (1), unless such parcel is located wholly or partially inside a conservation system unit or any other area which Congress has designated for specific management, in which case such parcel shall be subject to the provisions of subsection (c)(2).

(e) ISSUANCE OF INSTRUMENTS.—(1) Except as otherwise provided in this Act, no later than 6 months after the date on which the Secretary concerned publishes a final list of lands pursuant to subsection (d), the Secretary concerned shall issue documents of disclaimer of interest confirming the quitclaim made by subsection (a) of this section of all right, title, and interest of the United States in and to the lands included on such final list, subject to valid existing rights arising from factors other than a relinquishment to the United States of the type described in subsection (b). Each such confirmatory document of disclaimer of interest shall operate to estop the United States from making any claim of right, title, or interest of the United States in and to the base lands described in the document of disclaimer of interest, shall be made in the name of the listed owner or entryman, his heirs, devisees, successors, and assigns, and shall be in a form suitable for recordation and shall be filed and recorded by the United States with the recorder of deeds or other like official of the county or counties within which the lands covered by such confirmatory document of disclaimer of interest are located so that the title to such lands may be determined in accordance with applicable State law.

(2) The United States shall not adjudicate and, notwithstanding any provision of law to the contrary, does not consent to be sued in any suit instituted to adjudicate the ownership of, or to quiet

title to, any base land included in a final list and described in a confirmatory document of disclaimer of interest.

(3) Neither the Secretary of the Interior nor the Secretary of Agriculture shall be required to inspect any lands included on a final list nor to inform any member of the public regarding the condition of such lands prior to the issuance of any confirmatory document of disclaimer of interest required by this subsection, and nothing in this Act shall be construed as affecting any valid rights with respect to lands covered by a confirmatory document of disclaimer of interest issued pursuant to this subsection that were in existence on the date of issuance of such confirmatory document of disclaimer of interest.

(4) For purposes of this Act, the term "document of disclaimer of interest" means a memorandum or other document, however styled or described, that references the quitclaim made by subsection (a) of this section and that meets the requirements for recordation established by applicable laws of the State in which the lands to which such document refers are located.

(f) **WAIVER OF CERTAIN CLAIMS AGAINST THE UNITED STATES.**—Any person or entity accepting the benefits of this Act or failing to act to seek such benefits within the time allotted by this Act with respect to any base or other lands shall be deemed to have waived any claims against the United States, its agents or contractors, with respect to such lands, or with respect to any revenues received by the United States from such lands prior to the date of enactment of this Act. All non-Federal, third party rights granted by the United States with respect to base lands shall remain effective subject to the terms and conditions of the authorizing document. The United States may reserve any rights-of-way currently occupied or used for Government purposes.

SEC. 3. OTHER CLAIMS.

(a) **JURISDICTION AND DEADLINE.**—(1) Subject to the requirements and limitations of this section, a party claiming right, title, or interest in or to land vested in the United States by section 2(c)(2) of this Act may file in the United States Claims Court a claim against the United States seeking compensation based on such vesting. Notwithstanding any other provision of law, the Claims Court shall have exclusive jurisdiction over such claim.

(2) A claim described in paragraph (1) shall be barred unless the petition thereon is filed within 1 year after the date of publication of a final list pursuant to section 2(d) of this Act.

(3) Nothing in this Act shall be construed as authorizing any claim to be brought in any court other than a claim brought in the United States Claims Court based upon the vesting of right, title, and interest in and to the United States made by section 2(c)(2) of this Act.

(b) **LIMITATIONS, DEFENSES, AND AWARDS.**—(1) Nothing in this Act shall be construed as diminishing any existing right, title, or interest of the United States in any lands covered by section 2(c), including but not limited to any such right, title, or interest established by the Act of July 6, 1960 (74 Stat. 334).

(2) Nothing in this Act shall be construed as precluding or limiting any defenses or claims (including but not limited to defenses based on applicable statutes of limitations, affirmative defenses relating to fraud or speculative practices, or claims by

the United States based on adverse possession) otherwise available to the United States.

(3) Nothing in this Act shall be construed as entitling any party to compensation from the United States. However, in the event of a final judgment of the United States Claims Court in favor of a party seeking such compensation, or in the event of a negotiated settlement agreement made between such a party and the Attorney General of the United States, the United States shall pay such compensation from the permanent judgment appropriation established pursuant to section 1304 of title 31, United States Code.

(c) SAVINGS CLAUSE.—This Act does not include within its scope selection rights required to be recorded under the Act of August 5, 1955 (69 Stat. 534), regardless of whether compensation authorized by the Act of August 31, 1964 (78 Stat. 751) was or was not received.

Joint Resolution

Designating July 2, 1993 and July 2, 1994 as "National Literacy Day".

July 16, 1993
[H.J. Res. 213]

Whereas forty-two million Americans today read at a level which is less than necessary for full survival needs;

Whereas there are thirty million adults in the United States who cannot read, whose resources are left untapped, and who are unable to offer their full contribution to society;

Whereas illiteracy is growing rapidly, as two million three hundred thousand persons, including one million two hundred thousand legal and illegal immigrants, one million high school dropouts, and one hundred thousand refugees, are added to the pool of illiterates annually;

Whereas the annual cost of illiteracy to the United States in terms of welfare expenditures, crime, prison expenses, lost revenues, and industrial and military accidents has been estimated at \$225,000,000,000;

Whereas the competitiveness of the United States is eroded by the presence in the workplace of millions of Americans who are functionally or technologically illiterate;

Whereas there is a direct correlation between the number of illiterate adults unable to perform at the standard necessary for available employment and the money allocated to child welfare and unemployment compensation;

Whereas the percentage of illiterates in proportion to population size is higher for blacks and Hispanics, resulting in increased economic and social discrimination against these minorities;

Whereas the prison population represents the single highest concentration of adult illiteracy;

Whereas one million children in the United States between the ages of twelve and seventeen cannot read above a third grade level, 13 per centum of all seventeen-year-olds are functionally illiterate, and 15 per centum of graduates of urban high schools read at less than a sixth grade level;

Whereas 85 per centum of the juveniles who appear in criminal court are functionally illiterate;

Whereas the 47 per centum illiteracy rate among black youths is expected to increase;

Whereas one-half of all heads of households cannot read past the eighth grade level and one-third of all mothers on welfare are functionally illiterate;

Whereas the cycle of illiteracy continues because the children of illiterate parents are often illiterate themselves because of the lack of support they receive from their home environment;

Whereas Federal, State, municipal, and private literacy programs have only been able to reach 5 per centum of the total illiterate population;

Whereas it is vital to call attention to the problem of illiteracy, to understand the severity of the problem and its detrimental effects on our society, and to reach those who are illiterate and unaware of the free services and help available to them; and Whereas it is also necessary to recognize and thank the thousands of volunteers who are working to promote literacy and provide support to the millions of illiterates in need of assistance: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That July 2, 1993 and July 2, 1994 are designated as "National Literacy Day", and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities.

[H.J. Res. 190]

Whereas from July 17, 1993, through July 23, 1993, the Department of Veterans Affairs Medical Center at Mountain Home, Tennessee, will host the seventh annual Veterans Golden Age Games;

Whereas the games are a national multi-event sports and recreational competition for veterans, age 55 and over, who are currently receiving medical care from the Department of Veterans Affairs;

Whereas sports and recreation are integral components in the rehabilitative medicine programs offered at Veterans Administration hospitals, and help improve the health and quality of life for older veterans;

Whereas veteran athletes from across the United States will compete in events and competitions at the games;

Whereas the National Veterans Golden Age Games Program serves as a showcase for the prevention and therapeutic medical value that sports and recreation provide in the lives of all older Americans; and

Whereas the games provide further recognition of the valiant service given to the Nation by its veterans: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That July 17 through July 23, 1993, is designated as “National Veterans Golden Age Games Week”, and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe such week with appropriate programs, ceremonies, and activities.

(b) **MINIMUM STATE REQUIREMENTS.**—A State agency meets the minimum State requirements of this subsection if in issuing a weapons license to an armored car crew member described in subsection (a), the agency requires the crew member to provide information on an annual basis to the satisfaction of the agency that—

(1) the crew member has received classroom and range training in weapons safety and marksmanship during the current year by a qualified instructor for each weapon that the crew member is licensed to carry; and

(2) the receipt or possession of a weapon by the crew member would not violate Federal law, determined on the basis of a criminal record background check conducted during the current year.

of 1993.

31 USC 1101
note.

SEC. 2. FINDINGS AND PURPOSES.

31 USC 1115
note.

(a) **FINDINGS.**—The Congress finds that—

(1) waste and inefficiency in Federal programs undermine the confidence of the American people in the Government and reduces the Federal Government’s ability to address adequately vital public needs;

(2) Federal managers are seriously disadvantaged in their efforts to improve program efficiency and effectiveness, because of insufficient articulation of program goals and inadequate information on program performance; and

(3) congressional policymaking, spending decisions and program oversight are seriously handicapped by insufficient attention to program performance and results.

(b) **PURPOSES.**—The purposes of this Act are to—

(1) improve the confidence of the American people in the capability of the Federal Government, by systematically holding Federal agencies accountable for achieving program results;

(2) initiate program performance reform with a series of pilot projects in setting program goals, measuring program performance against those goals, and reporting publicly on their progress;

(3) improve Federal program effectiveness and public accountability by promoting a new focus on results, service quality, and customer satisfaction;

(4) help Federal managers improve service delivery, by requiring that they plan for meeting program objectives and by providing them with information about program results and service quality;

(5) improve congressional decisionmaking by providing more objective information on achieving statutory objectives, and on the relative effectiveness and efficiency of Federal programs and spending; and

(6) improve internal management of the Federal Government.

SEC. 3. STRATEGIC PLANNING.

“(2) If performance goals are specified in an alternative form under section 1115(b), the results of such program shall be described in relation to such specifications, including whether the performance failed to meet the criteria of a minimally effective or successful program.

In preparing and submitting the performance plan under section 1105(a)(29), the Director of the Office of Management and Budget shall review and may approve any proposed waivers. A waiver shall take effect at the beginning of the fiscal year for which the waiver is approved.

“(b) Any such proposal under subsection (a) shall describe the anticipated effects on performance resulting from greater managerial or organizational flexibility, discretion, and authority, and shall quantify the expected improvements in performance resulting from any waiver. The expected improvements shall be compared to current actual performance, and to the projected level of performance that would be achieved independent of any waiver.

“(c) Any proposal waiving limitations on compensation or remuneration shall precisely express the monetary change in compensation or remuneration amounts, such as bonuses or awards, that shall result from meeting, exceeding, or failing to meet performance goals.

“(d) Any proposed waiver of procedural requirements or controls imposed by an agency (other than the proposing agency or the Office of Management and Budget) may not be included in a

performance plan unless it is endorsed by the agency that established the requirement, and the endorsement included in the proposing agency's performance plan.

103d Congress

An Act

Aug. 4, 1993
[H.R. 236]

To establish the Snake River Birds of Prey National Conservation Area in the State of Idaho, and for other purposes.

Environmental
protection.
Public lands.
16 USC 460iii.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. FINDINGS.

The Congress finds the following:

(1) The public lands managed by the Bureau of Land Management in the State of Idaho within the Snake River Birds of Prey Area contain one of the densest known nesting populations of eagles, falcons, owls, hawks, and other birds of prey (raptors) in North America.

(2) These public lands constitute a valuable national biological and educational resource since birds of prey are important components of the ecosystem and indicators of environmental quality, and contribute significantly to the quality of wildlife and human communities.

(3) These public lands also contain important historic and cultural resources (including significant archaeological resources) as well as other resources and values, all of which should be protected and appropriately managed.

(4) A military training area within the Snake River Birds of Prey Area, known as the Orchard Training Area, has been used since 1953 by reserve components of the Armed Forces. Military use of this area is currently governed by a Memorandum of Understanding between the Bureau of Land Management and the State of Idaho Military Division, dated May 1985. Operating under this Memorandum of Understanding, the Idaho National Guard has provided valuable assistance to the Bureau of Land Management with respect to fire control and other aspects of management of the Orchard Training Area and the other lands in the Snake River Birds of Prey Area. Military use of the lands within the Orchard Training Area should continue in accordance with such Memorandum of Understanding (or extension or renewal thereof), to the extent consistent with section 4(e) of this Act, because this would be in the best interest of training of the reserve components (an important aspect of national security) and of the local economy.

(5) Protection of the conservation area as a home for raptors can best and should be accomplished by the Secretary of the Interior, acting through the Bureau of Land Management, under a management plan that—

(A) emphasizes management, protection, and rehabilitation of habitat for these raptors and of other resources and values of the area;

(B) provides for continued military use, consistent with the requirements of section 4(e) of this Act, of the Orchard Training Area by reserve components of the Armed Forces;

(C) addresses the need for public educational and interpretive opportunities;

(D) allows for diverse appropriate uses of lands in the area to the extent consistent with the maintenance and enhancement of raptor populations and habitats and protection and sound management of other resources and values of the area; and

(E) demonstrates management practices and techniques that may be useful to other areas of the public lands and elsewhere.

(6) There exists near the conservation area a facility, the World Center for Birds of Prey operated by The Peregrine Fund, Inc., where research, public education, recovery, and reestablishment operations exist for endangered raptor species. There also exists at Boise State University a raptor study program which attracts national and international graduate and undergraduate students.

(7) The Bureau of Land Management and Boise State University, together with other State, Federal, and private entities, have formed the Raptor Research and Technical Assistance Center to be housed at Boise State University, which provides a unique adjunct to the conservation area for raptor management, recovery, research, and public visitation, interpretation, and education.

(8) Consistent with requirements of sections 202 and 302 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1712 and 1732), the Secretary has developed a comprehensive management plan and, based on such plan, has implemented a management program for the public lands included in the conservation area established by this Act.

(9) Additional authority and guidance must be provided to assure that essential raptor habitat remains in public ownership, to facilitate sound and effective planning and management, to provide for effective public interpretation and education, to ensure continued study of the relationship of humans and these raptors, to preserve the unique and irreplaceable habitat of the conservation area, and to conserve and properly manage the other natural resources of the area in concert with maintenance of this habitat.

(10) An ongoing research program funded by the Bureau of Land Management and the National Guard is intended to provide information to be used in connection with future decisionmaking concerning management of all uses, including continued military use, of public lands within the Snake River Birds of Prey Area.

(11) Public lands in the Snake River Birds of Prey Area have been used for domestic livestock grazing for more than a century, with resultant benefits to community stability and contributions to the local and State economies. It has not been demonstrated that continuation of this use would be incompatible with appropriate protection and sound management of

raptor habitat and the other resource values of these lands; therefore, subject to the determination provided for in section 4(f), it is expected that such grazing will continue in accordance with applicable regulations of the Secretary and the management plan for the conservation area.

(12) Hydroelectric facilities for the generation and transmission of electricity exist within the Snake River Birds of Prey Area pursuant to a license(s) issued by the Federal Energy Regulatory Commission, or its predecessor, the Federal Power Commission.

(a) **ESTABLISHMENT AND PURPOSES.**—(1) There is hereby established the Snake River Birds of Prey National Conservation Area (hereafter referred to as the "conservation area").

(2) The purposes for which the conservation area is established, and shall be managed, are to provide for the conservation, protection, and enhancement of raptor populations and habitats and the

natural and environmental resources and values associated therewith, and of the scientific, cultural, and educational resources and values of the public lands in the conservation area.

(3) Subject to the provisions of subsection (d) of this section and section 4, uses of the public lands in the conservation area existing on the date of enactment of this Act shall be allowed to continue.

(b) **AREA INCLUDED.**—The conservation area shall consist of approximately 482,457 acres of federally owned lands and interests therein managed by the Bureau of Land Management as generally depicted on the map entitled “Snake River Birds of Prey National Conservation Area”, dated November 1991.

(c) **MAP AND LEGAL DESCRIPTION.**—As soon as is practicable after enactment of this Act, the map referred to in subsection (b) and a legal description of the conservation area shall be filed by the Secretary with the Committee on Natural Resources of the House of Representatives and the Committee on Energy and Natural Resources of the Senate. Each such map shall have the same force and effect as if included in this Act; except that the Secretary may correct clerical and typographical errors in such map and legal description. Each such map shall be on file and available for public inspection in the office of the Director and the Idaho State Director of the Bureau of Land Management of the Department of the Interior.

(d) **WITHDRAWALS.**—Subject to valid existing rights, the Federal lands within the conservation area are hereby withdrawn from all forms of entry, appropriation, or disposal under the public land laws; and from entry, application, and selection under the Act of March 3, 1877 (Ch. 107, 19 Stat. 377, 43 U.S.C. 321 et seq.; commonly referred to as the “Desert Lands Act”), section 4 of the Act of August 18, 1894 (Ch. 301, 28 Stat. 422; 43 U.S.C. 641; commonly referred to as the “Carey Act”), the Act of July 3, 1890 (Ch. 656, 26 Stat. 215; commonly referred to as the “State of Idaho Admissions Act”), section 2275 of the Revised Statutes, as amended (43 U.S.C. 851), and section 2276 of the Revised Statutes, as amended (43 U.S.C. 852). The Secretary shall return to the applicants any such applications pending on the date of enactment of this Act, without further action. Subject to valid existing rights, as of the date of enactment of this Act, lands within the Birds of Prey Conservation Area are withdrawn from location under the general mining laws, the operation of the mineral and geothermal leasing laws, and the mineral material disposal laws, except that mineral materials subject to disposal may be made available from existing sites to the extent compatible with the purposes for which the conservation area is established.

SEC. 4. MANAGEMENT AND USE.

16 USC 460iii-3.

(a) **IN GENERAL.**—(1)(A) Within 1 year after the date of enactment of this Act, the Secretary shall make any revisions in the existing management plan for the conservation area as necessary to assure its conformance with this Act, and no later than January 1, 1996, shall finalize a new management plan for the conservation area.

(B) Thereafter, the Secretary shall review the plan at least once every 5 years and shall make such revisions as may be necessary or appropriate.

(C) In reviewing and revising the plan, the Secretary shall provide for appropriate public participation.

(2) Except as otherwise specifically provided in section 3(d) and subsections (d), (e), and (f) of this section, the Secretary shall allow only such uses of lands in the conservation area as the Secretary determines will further the purposes for which the Conservation Area is established.

(b) MANAGEMENT GUIDANCE.—After each review pursuant to subsection (a), the Secretary shall make such revisions as may be needed so that the plan and management program to implement the plan include, in addition to any other necessary or appropriate provisions, provisions for—

(1) protection for the raptor populations and habitats and the scientific, cultural, and educational resources and values of the public lands in the conservation area;

(2) identifying levels of continued military use of the Orchard Training Area compatible with paragraph (1) of this subsection;

(3) public use of the conservation area consistent with the purposes of this Act;

(4) interpretive and educational opportunities for the public;

(5) a program for continued scientific investigation and study to provide information to support sound management in accordance with this Act, to advance knowledge of raptor species and the resources and values of the conservation area, and to provide a process for transferring to other areas of the public lands and elsewhere this knowledge and management experience;

(6) such vegetative enhancement and other measures as may be necessary to restore or enhance prey habitat;

(7) the identification of levels, types, timing, and terms and conditions for the allowable nonmilitary uses of lands within the conservation area that will be compatible with the protection, maintenance, and enhancement of raptor populations and habitats and the other purposes for which the conservation area is established; and

(8) assessing the desirability of imposing appropriate fees for public uses (including, but not limited to, recreational use) of lands in the conservation area, which are not now subject to fees, to be used to further the purposes for which the conservation area is established.

(c) VISITORS CENTER.—The Secretary, acting through the Director of the Bureau of Land Management, is authorized to establish, in cooperation with other public or private entities as the Secretary may deem appropriate, a visitors center designed to interpret the history and the geological, ecological, natural, cultural, and other resources of the conservation area and the biology of the raptors and their relationships to man.

(d) VISITORS USE OF AREA.—In addition to the Visitors Center, the Secretary may provide for visitor use of the public lands in the conservation area to such extent and in such manner as the Secretary considers consistent with the protection of raptors and raptor habitat, public safety, and the purposes for which the conservation area is established. To the extent practicable, the Secretary shall make available to visitors and other members of the

public a map of the conservation area and such other educational and interpretive materials as may be appropriate.

(e) NATIONAL GUARD USE OF THE AREA.—(1) Pending completion of the ongoing research concerning military use of lands in the conservation area, or until the date 5 years after the date of enactment of this Act, whichever is the shorter period, the Secretary shall permit continued military use of those portions of the conservation area known as the Orchard Training Area in accordance with the Memorandum of Understanding, to the extent consistent with the use levels identified pursuant to subsection (b)(2) of this section.

(2) Upon completion of the ongoing research concerning military use of lands in the conservation area, the Secretary shall review the management plan and make such additional revisions therein as may be required to assure that it meets the requirements of this Act.

(3) Upon completion of the ongoing research concerning military use of lands in the conservation area, the Secretary shall submit to the Committees on Natural Resources and Merchant Marine and Fisheries of the House of Representatives and the Committee on Energy and Natural Resources of the Senate a report of the results of such research.

(4) Nothing in this Act shall preclude minor adjustment of the boundaries of the Orchard Training Area in accordance with provisions of the Memorandum of Understanding.

(5) After completion of the ongoing research concerning military use of lands in the Orchard Training Area or after the date 5 years after the date of enactment of this Act, whichever first occurs, the Secretary shall continue to permit military use of such lands, unless the Secretary, on the basis of such research, determines such use is not compatible with the purposes set forth in section 3(a)(2). Any such use thereafter shall be permitted in accordance with the Memorandum of Understanding, which may be extended or renewed by the Secretary so long as such use continues to meet the requirements of subsection (b)(2) of this section.

(6) In accordance with the Memorandum of Understanding, the Secretary shall require the State of Idaho Military Division to insure that military units involved maintain a program of decontamination.

(7) Nothing in this Act shall be construed as by itself precluding the extension or renewal of the Memorandum of Understanding, or the construction of any improvements or buildings in the Orchard Training Area so long as the requirements of this subsection are met.

(f) LIVESTOCK GRAZING.—(1) So long as the Secretary determines that domestic livestock grazing is compatible with the purposes for which the conservation area is established, the Secretary shall permit such use of public lands within the conservation area, to the extent such use of such lands is compatible with such purposes. Determinations as to compatibility shall be made in connection with the initial revision of management plans for the conservation area and in connection with each plan review required by section 4(a)(1)(B).

(2) Any livestock grazing on public lands within the conservation area, and activities the Secretary determines necessary to carry out proper and practical grazing management programs on such lands (such as animal damage control activities) shall be

Reports

managed in accordance with the Act of June 28, 1934 (43 U.S.C. 315 et seq.; commonly referred to as the "Taylor Grazing Act"), section 402 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1752), other laws applicable to such use and programs on the public lands, and the management plan for the conservation area.

(g) **COOPERATIVE AGREEMENTS.**—The Secretary is authorized to provide technical assistance to, and to enter into such cooperative agreements and contracts with, the State of Idaho and with local governments and private entities as the Secretary deems necessary or desirable to carry out the purposes and policies of this Act.

(h) **AGRICULTURAL PRACTICES.**—Nothing in this Act shall be construed as constituting a grant of authority to the Secretary to restrict recognized agricultural practices or other activities on private land adjacent to or within the conservation area boundary.

(i) **HYDROELECTRIC FACILITIES.**—Notwithstanding any provision of this Act, or regulations and management plans undertaken pursuant to its provisions, the Federal Energy Regulatory Commission shall retain its current jurisdiction concerning all aspects of the continued and future operation of hydroelectric facilities, licensed or relicensed under the Federal Power Act (16 U.S.C. 791a et seq.), located within the boundaries of the conservation area.

16 USC 460iii-4.

SEC. 5. ADDITIONS.

(a) **ACQUISITIONS.**—(1) The Secretary is authorized to acquire lands and interests therein within the boundaries of the conservation area by donation, purchase with donated or appropriated funds, exchange, or transfer from another Federal agency, except that such lands or interests owned by the State of Idaho or a political subdivision thereof may be acquired only by donation or exchange.

(2) Any lands located within the boundaries of the conservation area that are acquired by the United States on or after the date of enactment of this Act shall become a part of the conservation area and shall be subject to this Act.

(b) **PURCHASE OF LANDS.**—In addition to the authority in section 318(d) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1748) and notwithstanding section 7(a) of the Land and Water Conservation Fund Act of 1964 (16 U.S.C. 4601-9(a)), monies appropriated from the Land and Water Conservation Fund may be used as authorized in section 5(b) of the Endangered Species Act of 1973 (16 U.S.C. 1534(b)), for the purposes of acquiring lands or interests therein within the conservation area for administration as public lands as a part of the conservation area.

(c) **LAND EXCHANGES.**—The Secretary shall, within 4 years after the date of enactment of this Act, study, identify, and initiate voluntary land exchanges which would resolve ownership related land use conflicts within the conservation area.

16 USC 460iii-5.

SEC. 6. OTHER LAWS AND ADMINISTRATIVE PROVISIONS.

(a) **OTHER LAWS.**—(1) Nothing in this Act shall be construed to supersede, limit, or otherwise affect administration and enforcement of the Endangered Species Act of 1973 (16 U.S.C. 1531 et seq.) or to limit the applicability of the National Trails System Act to any lands within the conservation area.

(2) Except as otherwise specifically provided in this Act, nothing in this Act shall be construed as limiting the applicability to lands in the conservation area of laws applicable to public lands generally,

including but not limited to the National Historic Preservation Act, the Archaeological Resources Protection Act of 1979, or the Native American Graves Protection and Repatriation Act.

(3) Nothing in this Act shall be construed as by itself altering the status of any lands that on the date of enactment of this Act were not managed by the Bureau of Land Management.

(4) Nothing in this Act shall be construed as prohibiting the Secretary from engaging qualified persons to use public lands within the conservation area for the propagation of plants (including seeds) to be used for vegetative enhancement of the conservation area in accordance with the plan and in furtherance of the purposes for which the conservation area is established.

(b) RELEASE.—The Congress finds and directs that the public lands within the Snake River Birds of Prey Natural Area established as a natural area in October 1971 by Public Land Order 5133 have been adequately studied and found unsuitable for wilderness designation pursuant to section 603 of the Federal Land Policy and Management Act of 1976. Such lands are hereby released from further management pursuant to section 603(c) of such an Act and shall be managed in accordance with other applicable provisions of law, including this Act.

(c) EXISTING ADMINISTRATIVE WITHDRAWAL TERMINATED.—Public Land Orders 5133 dated October 12, 1971, and 5777 dated November 21, 1980, issued by the Secretary are hereby revoked subject to subsections (d)(3) and (d)(4).

(d) WATER.—(1) The Congress finds that the United States is currently a party in an adjudication of rights to waters of the Snake River, including water rights claimed by the United States on the basis of the reservation of lands for purposes of conservation of fish and wildlife and that consequently there is no need for this Act to effect a reservation by the United States of rights with respect to such waters in order to fulfill the purposes for which the conservation area is established.

(2) Nothing in this Act or any action taken pursuant thereto shall constitute either an expressed or implied reservation of water or water rights for any purpose.

(3) Nothing in this Act shall be construed as effecting a relinquishment or reduction of any of the water rights held or claimed by the United States within the State of Idaho or elsewhere on or before the date of enactment of this Act.

(4) The Secretary and all other officers of the United States shall take all steps necessary to protect all water rights claimed by the United States in the Snake River adjudication now pending in the district court of the State of Idaho in which the United States is joined under section 208 of the Act of July 10, 1952 (66 Stat. 560; 43 U.S.C. 666; commonly referred to as the "McCarran Amendment").

16 USC 460iii-6. **SEC. 7. AUTHORIZATION OF APPROPRIATIONS.**

There are authorized to be appropriated such sums as may be necessary to carry out this Act.

“PART D—FEDERAL DIRECT STUDENT LOAN PROGRAM

“SEC. 451. PROGRAM AUTHORITY.

20 USC 1087a.

There are hereby made available, in accordance with the provisions of this part, such sums as may be necessary to make loans to all eligible students (and the eligible parents of such students) in attendance at participating institutions of higher education selected by the Secretary, to enable such students to pursue their courses of study at such institutions during the period beginning July 1, 1994. Such loans shall be made by participating institutions, or consortia thereof, that have agreements with the Secretary to originate loans, or by alternative originators designated by the Secretary to make loans for students in attendance at participating institutions (and their parents).

“SEC. 452. FUNDS FOR ORIGATION OF DIRECT STUDENT LOANS.

20 USC 1087b.

“(a) **IN GENERAL.**—The Secretary shall provide, on the basis of the need and the eligibility of students at each participating institution, and parents of such students, for such loans, funds for student and parent loans under this part—

“(1) directly to an institution of higher education that has an agreement with the Secretary under section 454(a) to participate in the direct student loan programs under this part and that also has an agreement with the Secretary under section 454(b) to originate loans under this part; or

“(2) through an alternative originator designated by the Secretary to students (and parents of students) attending institutions of higher education that have an agreement with the Secretary under section 454(a) but that do not have an agreement with the Secretary under section 454(b).

“(b) **FEES FOR ORIGATION SERVICES.**—

“(1) **FEES FOR INSTITUTIONS.**—The Secretary shall pay fees to institutions of higher education (or a consortium of such institutions) with agreements under section 454(b), in an amount established by the Secretary, to assist in meeting the costs of loan origination. Such fees—

“(A) shall be paid by the Secretary based on all the loans made under this part to a particular borrower in the same academic year;

“(B) shall be subject to a sliding scale that decreases the per borrower amount of such fees as the number of borrowers increases; and

“(C)(i) for academic year 1994–1995, shall not exceed a program-wide average of \$10 per borrower for all the loans made under this part to such borrower in the same academic year; and

“(ii) for succeeding academic years, shall not exceed such average fee as the Secretary shall establish pursuant to regulations.

“(2) FEES FOR ALTERNATIVE ORIGINATORS.—The Secretary shall pay fees for loan origination services to alternative originators of loans made under this part in an amount established by the Secretary in accordance with the terms of the contract described in section 456(b) between the Secretary and each such alternative originator.

“(c) NO ENTITLEMENT TO PARTICIPATE OR ORIGINATE.—No institution of higher education shall have a right to participate in the programs authorized by this part, to originate loans, or to perform any program function under this part. Nothing in this subsection shall be construed so as to limit the entitlement of an eligible student attending a participating institution (or the eligible parent of such student) to borrow under this part.

“(d) DELIVERY OF LOAN FUNDS.—Loan funds shall be paid and delivered to an institution by the Secretary prior to the beginning of the payment period established by the Secretary in a manner that is consistent with payment and delivery of basic grants under subpart 1 of part A of this title.

"(3) INFORMATION TO BE INCLUDED IN QUALIFIED ORDER.—A medical child support order meets the requirements of this paragraph only if such order clearly specifies—

"(A) the name and the last known mailing address (if any) of the participant and the name and mailing address of each alternate recipient covered by the order,

"(B) a reasonable description of the type of coverage to be provided by the plan to each such alternate recipient, or the manner in which such type of coverage is to be determined,

by section 13822 of the Omnibus Budget Reconciliation Act of 1993).

“(5) PROCEDURAL REQUIREMENTS.—

“(A) TIMELY NOTIFICATIONS AND DETERMINATIONS.—In the case of any medical child support order received by a group health plan—

“(B) ESTABLISHMENT OF PROCEDURES FOR DETERMINING QUALIFIED STATUS OF ORDERS.—Each group health plan shall establish reasonable procedures to determine whether medical child support orders are qualified medical child support orders and to administer the provision of benefits under such qualified orders. Such procedures—

“(i) shall be in writing,

“(ii) shall provide for the notification of each person specified in a medical child support order as eligible to receive benefits under the plan (at the address included in the medical child support order) of such procedures promptly upon receipt by the plan of the medical child support order, and

“(iii) shall permit an alternate recipient to designate a representative for receipt of copies of notices that are sent to the alternate recipient with respect to a medical child support order.

“(6) ACTIONS TAKEN BY FIDUCIARIES.—If a plan fiduciary acts in accordance with part 4 of this subtitle in treating a medical child support order as being (or not being) a qualified medical child support order, then the plan’s obligation to the participant and each alternate recipient shall be discharged to the extent of any payment made pursuant to such act of the fiduciary.

“(7) TREATMENT OF ALTERNATE RECIPIENTS.—

"(b) RIGHTS OF STATES WITH RESPECT TO GROUP HEALTH PLANS WHERE PARTICIPANTS OR BENEFICIARIES THEREUNDER ARE ELIGIBLE FOR MEDICAID BENEFITS.—

"(1) COMPLIANCE BY PLANS WITH ASSIGNMENT OF RIGHTS.—

A group health plan shall provide that payment for benefits with respect to a participant under the plan will be made in accordance with any assignment of rights made by or on behalf of such participant or a beneficiary of the participant as required by a State plan for medical assistance approved under title XIX of the Social Security Act pursuant to section 1912(a)(1)(A) of such Act (as in effect on the date of the enactment of the Omnibus Budget Reconciliation Act of 1993).

"(2) ENROLLMENT AND PROVISION OF BENEFITS WITHOUT REGARD TO MEDICAID ELIGIBILITY.—A group health plan shall provide that, in enrolling an individual as a participant or beneficiary or in determining or making any payments for benefits of an individual as a participant or beneficiary, the fact that the individual is eligible for or is provided medical assistance under a State plan for medical assistance approved under title XIX of the Social Security Act will not be taken into account.

"(3) ACQUISITION BY STATES OF RIGHTS OF THIRD PARTIES.—

A group health plan shall provide that, to the extent that payment has been made under a State plan for medical assistance approved under title XIX of the Social Security Act in any case in which a group health plan has a legal liability to make payment for items or services constituting such assistance, payment for benefits under the plan will be made in accordance with any State law which provides that the State has acquired the rights with respect to a participant to such payment for such items or services.

"(c) GROUP HEALTH PLAN COVERAGE OF DEPENDENT CHILDREN IN CASES OF ADOPTION.—

"(1) COVERAGE EFFECTIVE UPON PLACEMENT FOR ADOPTION.—In any case in which a group health plan provides coverage for dependent children of participants or beneficiaries, such plan shall provide benefits to dependent children placed with participants or beneficiaries for adoption under the same terms and conditions as apply in the case of dependent children who are natural children of participants or beneficiaries under the plan, irrespective of whether the adoption has become final.

"(2) RESTRICTIONS BASED ON PREEXISTING CONDITIONS AT TIME OF PLACEMENT FOR ADOPTION PROHIBITED.—A group health plan may not restrict coverage under the plan of any dependent child adopted by a participant or beneficiary, or placed with a participant or beneficiary for adoption, solely on the basis of a preexisting condition of such child at the time that such child would otherwise become eligible for coverage under the plan, if the adoption or placement for adoption occurs while the participant or beneficiary is eligible for coverage under the plan.

"(3) DEFINITIONS.—For purposes of this subsection—

"(A) CHILD.—The term 'child' means, in connection with any adoption, or placement for adoption, of the child, an

individual who has not attained age 18 as of the date of such adoption or placement for adoption.

“(B) PLACEMENT FOR ADOPTION.—The term ‘placement’, or being ‘placed’, for adoption, in connection with any placement for adoption of a child with any person, means the assumption and retention by such person of a legal obligation for total or partial support of such child in anticipation of adoption of such child. The child’s placement with such person terminates upon the termination of such legal obligation.

“(d) CONTINUED COVERAGE OF COSTS OF A PEDIATRIC VACCINE UNDER GROUP HEALTH PLANS.—A group health plan may not reduce its coverage of the costs of pediatric vaccines (as defined under section 1928(h)(6) of the Social Security Act as amended by section 13830 of the Omnibus Budget Reconciliation Act of 1993) below the coverage it provided as of May 1, 1993.

Reports.

"SEC. 113. IDENTIFICATION OF REALLOCABLE FREQUENCIES.

"(a) IDENTIFICATION REQUIRED.—The Secretary shall, within 18 months after the date of the enactment of the Omnibus Budget Reconciliation Act of 1993, prepare and submit to the President and the Congress a report identifying and recommending for reallocation bands of frequencies—

"(1) that are allocated on a primary basis for Federal Government use;

"(2) that are not required for the present or identifiable future needs of the Federal Government;

"(3) that can feasibly be made available, as of the date of submission of the report or at any time during the next 15 years, for use under the 1934 Act (other than for Federal Government stations under section 305 of the 1934 Act);

"(4) the transfer of which (from Federal Government use) will not result in costs to the Federal Government, or losses of services or benefits to the public, that are excessive in relation to the benefits to the public that may be provided by non-Federal licensees; and

"(5) that are most likely to have the greatest potential for productive uses and public benefits under the 1934 Act if allocated for non-Federal use.

"(b) MINIMUM AMOUNT OF SPECTRUM RECOMMENDED.—

"(1) IN GENERAL.—In accordance with the provisions of this section, the Secretary shall recommend for reallocation, for use other than by Federal Government stations under section 305 of the 1934 Act (47 U.S.C. 305), bands of frequencies that in the aggregate span not less than 200 megahertz, that are located below 5 gigahertz, and that meet the criteria specified in paragraphs (1) through (5) of subsection (a). Such bands of frequencies shall include bands of frequencies, located below 3 gigahertz, that span in the aggregate not less than 100 megahertz.

"(2) MIXED USES PERMITTED TO BE COUNTED.—Bands of frequencies which a report of the Secretary under subsection (a) or (d)(1) recommends be partially retained for use by Federal Government stations, but which are also recommended to be reallocated to be made available under the 1934 Act for use by non-Federal stations, may be counted toward the minimum

spectrum required by paragraph (1) of this subsection, except that—

“(A) the bands of frequencies counted under this paragraph may not count toward more than one-half of the minimums required by paragraph (1) of this subsection;

“(B) a band of frequencies may not be counted under this paragraph unless the assignments of the band to Federal Government stations under section 305 of the 1934 Act (47 U.S.C. 305) are limited by geographic area, by time, or by other means so as to guarantee that the potential use to be made by such Federal Government stations is substantially less (as measured by geographic area, time, or otherwise) than the potential use to be made by non-Federal stations; and

“(C) the operational sharing permitted under this paragraph shall be subject to the interference regulations prescribed by the Commission pursuant to section 305(a) of the 1934 Act and to coordination procedures that the Commission and the Secretary shall jointly establish and implement to ensure against harmful interference.

“(c) CRITERIA FOR IDENTIFICATION.—

“(1) NEEDS OF THE FEDERAL GOVERNMENT.—In determining whether a band of frequencies meets the criteria specified in subsection (a)(2), the Secretary shall—

“(A) consider whether the band of frequencies is used to provide a communications service that is or could be available from a commercial provider or other vendor;

“(B) seek to promote—

“(i) the maximum practicable reliance on commercially available substitutes;

“(ii) the sharing of frequencies (as permitted under subsection (b)(2));

“(iii) the development and use of new communications technologies; and

“(iv) the use of nonradiating communications systems where practicable; and

“(C) seek to avoid—

“(i) serious degradation of Federal Government services and operations;

“(ii) excessive costs to the Federal Government and users of Federal Government services; and

“(iii) excessive disruption of existing use of Federal Government frequencies by amateur radio licensees.

“(2) FEASIBILITY OF USE.—In determining whether a frequency band meets the criteria specified in subsection (a)(3), the Secretary shall—

“(A) assume that the frequency will be assigned by the Commission under section 303 of the 1934 Act (47 U.S.C. 303) within 15 years;

“(B) assume reasonable rates of scientific progress and growth of demand for telecommunications services;

“(C) seek to include frequencies which can be used to stimulate the development of new technologies; and

“(D) consider the immediate and recurring costs to reestablish services displaced by the reallocation of spectrum.

“(3) ANALYSIS OF BENEFITS.—In determining whether a band of frequencies meets the criteria specified in subsection (a)(5), the Secretary shall consider—

“(A) the extent to which equipment is or will be available that is capable of utilizing the band;

“(B) the proximity of frequencies that are already assigned for commercial or other non-Federal use;

“(C) the extent to which, in general, commercial users could share the frequency with amateur radio licensees; and

“(D) the activities of foreign governments in making frequencies available for experimentation or commercial assignments in order to support their domestic manufacturers of equipment.

“(4) POWER AGENCY FREQUENCIES.—

“(A) APPLICABILITY OF CRITERIA.—The criteria specified by subsection (a) shall be deemed not to be met for any purpose under this part with regard to any frequency assignment to, or any frequency assignment used by, a Federal power agency for the purpose of withdrawing that assignment.

“(B) MIXED USE ELIGIBILITY.—The frequencies assigned to any Federal power agency may only be eligible for mixed use under subsection (b)(2) in geographically separate areas, but in those cases where a frequency is to be shared by an affected Federal power agency and a non-Federal user, such use by the non-Federal user shall not cause harmful interference to the affected Federal power agency or adversely affect the reliability of its power system.

“(C) DEFINITION.—As used in this paragraph, the term ‘Federal power agency’ means the Tennessee Valley Authority, the Bonneville Power Administration, the Western Area Power Administration, the Southwestern Power Administration, the Southeastern Power Administration, or the Alaska Power Administration.

“(5) LIMITATION ON REALLOCATION.—None of the frequencies recommended for reallocation in the reports required by this subsection shall have been recommended, prior to the date of enactment of the Omnibus Budget Reconciliation Act of 1993, for reallocation to non-Federal use by international agreement.

“(d) PROCEDURE FOR IDENTIFICATION OF REALLOCABLE BANDS OF FREQUENCIES.—

“(1) SUBMISSION OF PRELIMINARY IDENTIFICATION TO CONGRESS.—Within 6 months after the date of the enactment of the Omnibus Budget Reconciliation Act of 1993, the Secretary shall prepare, make publicly available, and submit to the President, the Congress, and the Commission a report which makes a preliminary identification of reallocable bands of frequencies which meet the criteria established by this section.

“(2) PUBLIC COMMENT.—The Secretary shall provide interested persons with the opportunity to submit, within 90 days after the date of its publication, written comment on the preliminary report required by paragraph (1). The Secretary shall immediately transmit a copy of any such comment to the Commission.

Reports.

“(3) COMMENT AND RECOMMENDATIONS FROM COMMISSION.—The Commission shall, within 90 days after the conclusion of the period for comment provided pursuant to paragraph (2), submit to the Secretary the Commission’s analysis of such comments and the Commission’s recommendations for responses to such comments, together with such other comments and recommendations as the Commission deems appropriate.

“(4) DIRECT DISCUSSIONS.—The Secretary shall encourage and provide opportunity for direct discussions among commercial representatives and Federal Government users of the spectrum to aid the Secretary in determining which frequencies to recommend for reallocation. The Secretary shall provide notice to the public and the Commission of any such discussions, including the name or names of any businesses or other persons represented in such discussions. A representative of the Commission (and of the Secretary at the election of the Secretary) shall be permitted to attend any such discussions. The Secretary shall provide the public and the Commission with an opportunity to comment on the results of any such discussions prior to the submission of the final report required by subsection (a).

“(e) TIMETABLE FOR REALLOCATION AND LIMITATION.—

“(1) TIMETABLE REQUIRED.—The Secretary shall, as part of the reports required by subsections (a) and (d)(1), include a timetable that recommends effective dates by which the President shall withdraw or limit assignments of the frequencies specified in such reports.

President.

“(2) EXPEDITED REALLOCATION.—

“(A) REQUIRED REALLOCATION.—The Secretary shall, as part of the report required by subsection (d)(1), specifically identify and recommend for immediate reallocation bands of frequencies that in the aggregate span not less than 50 megahertz, that meet the criteria described in subsection (a), and that can be made available for reallocation immediately upon issuance of the report required by subsection (d)(1). Such bands of frequencies shall include bands of frequencies, located below 3 gigahertz, that in the aggregate span not less than 25 megahertz.

“(B) PERMITTED REALLOCATION.—The Secretary may, as part of such report, identify and recommend bands of frequencies for immediate reallocation for a mixed use pursuant to subsection (b)(2), but such bands of frequencies may not count toward the minimums required by subparagraph (A).

“(3) DELAYED EFFECTIVE DATES.—In setting the recommended delayed effective dates, the Secretary shall—

“(A) consider the need to reallocate bands of frequencies as early as possible, taking into account the requirements of paragraphs (1) and (2) of section 115(b);

“(B) be based on the useful remaining life of equipment that has been purchased or contracted for to operate on identified frequencies;

“(C) consider the need to coordinate frequency use with other nations; and

“(D) take into account the relationship between the costs to the Federal Government of changing to different frequencies and the benefits that may be obtained from commercial and other non-Federal uses of the reassigned frequencies.

President.
47 USC 924.

“SEC. 114. WITHDRAWAL OR LIMITATION OF ASSIGNMENT TO FEDERAL GOVERNMENT STATIONS.

“(a) IN GENERAL.—The President shall—

“(1) within 6 months after receipt of a report by the Secretary under subsection (a) or (d)(1) of section 113, withdraw the assignment to a Federal Government station of any frequency which the report recommends for immediate reallocation;

“(2) within either such 6-month period, limit the assignment to a Federal Government station of any frequency which the report recommends be made immediately available for mixed use under section 113(b)(2);

“(3) by the delayed effective date recommended by the Secretary under section 113(e) (except as provided in subsection (b)(4) of this section), withdraw or limit the assignment to a Federal Government station of any frequency which the report recommends be reallocated or made available for mixed use on such delayed effective date;

“(4) assign or reassign other frequencies to Federal Government stations as necessary to adjust to such withdrawal or limitation of assignments; and

“(5) transmit a notice and description to the Commission and each House of Congress of the actions taken under this subsection.

“(b) EXCEPTIONS.—

“(1) **AUTHORITY TO SUBSTITUTE.—**If the President determines that a circumstance described in paragraph (2) exists, the President—

“(A) may substitute an alternative frequency or frequencies for the frequency that is subject to such determination and withdraw (or limit) the assignment of that alternative frequency in the manner required by subsection (a); and

“(B) shall submit a statement of the reasons for taking the action described in subparagraph (A) to the Commission, Committee on Energy and Commerce of the House of Representatives, and the Committee on Commerce, Science, and Transportation of the Senate.

“(2) **GROUND FOR SUBSTITUTION.—**For purposes of paragraph (1), the following circumstances are described in this paragraph:

“(A) the reassignment would seriously jeopardize the national defense interests of the United States;

“(B) the frequency proposed for reassignment is uniquely suited to meeting important governmental needs;

“(C) the reassignment would seriously jeopardize public health or safety;

“(D) the reassignment will result in costs to the Federal Government that are excessive in relation to the benefits that may be obtained from commercial or other non-Federal uses of the reassigned frequency; or

“(E) the reassignment will disrupt the existing use of a Federal Government band of frequencies by amateur radio licensees.

“(3) CRITERIA FOR SUBSTITUTED FREQUENCIES.—For purposes of paragraph (1), a frequency may not be substituted for a frequency identified and recommended by the report of the Secretary under section 113(a) unless the substituted frequency also meets each of the criteria specified by section 113(a).

“(4) DELAYS IN IMPLEMENTATION.—If the President determines that any action cannot be completed by the delayed effective date recommended by the Secretary pursuant to section 113(e), or that such an action by such date would result in a frequency being unused as a consequence of the Commission’s plan under section 115, the President may—

“(A) withdraw or limit the assignment to Federal Government stations on a later date that is consistent with such plan, except that the President shall notify each committee specified in paragraph (1)(B) and the Commission of the reason that withdrawal or limitation at a later date is required; or

“(B) substitute alternative frequencies pursuant to the provisions of this subsection.

Regulations.

“(a) ALLOCATION AND ASSIGNMENT OF IMMEDIATELY AVAILABLE FREQUENCIES.—With respect to the frequencies made available for immediate reallocation pursuant to section 113(e)(2), the Commission, not later than 18 months after the date of enactment of the Omnibus Budget Reconciliation Act of 1993, shall issue regulations to allocate such frequencies and shall propose regulations to assign such frequencies.

“(b) ALLOCATION AND ASSIGNMENT OF REMAINING AVAILABLE FREQUENCIES.—With respect to the frequencies made available for reallocation pursuant to section 113(e)(3), the Commission shall, not later than 1 year after receipt of the report required by section 113(a), prepare, submit to the President and the Congress, and implement, a plan for the allocation and assignment under the 1934 Act of such frequencies. Such plan shall—

“(1) not propose the immediate allocation and assignment of all such frequencies but, taking into account the timetable recommended by the Secretary pursuant to section 113(e), shall propose—

“(A) gradually to allocate and assign the frequencies remaining, after making the reservation required by subparagraph (B), over the course of 10 years beginning on the date of submission of such plan; and

“(B) to reserve a significant portion of such frequencies for allocation and assignment beginning after the end of such 10-year period;

“(2) contain appropriate provisions to ensure—

“(A) the availability of frequencies for new technologies and services in accordance with the policies of section 7 of the 1934 Act (47 U.S.C. 157);

“(B) the availability of frequencies to stimulate the development of such technologies; and

“(C) the safety of life and property in accordance with the policies of section 1 of the 1934 Act (47 U.S.C. 151);
 “(3) address (A) the feasibility of reallocating portions of the spectrum from current commercial and other non-Federal uses to provide for more efficient use of the spectrum, and (B) innovation and marketplace developments that may affect the relative efficiencies of different spectrum allocations;

“SEC. 116. AUTHORITY TO RECOVER REASSIGNED FREQUENCIES.

“(a) **AUTHORITY OF PRESIDENT.**—Subsequent to the withdrawal of assignment to Federal Government stations pursuant to section 114, the President may reclaim reassigned frequencies for reassignment to Federal Government stations in accordance with this section.

“(b) **PROCEDURE FOR RECLAIMING FREQUENCIES.**—

“(1) **UNALLOCATED FREQUENCIES.**—If the frequencies to be reclaimed have not been allocated or assigned by the Commission pursuant to the 1934 Act, the President shall follow the procedures for substitution of frequencies established by section 114(b) of this part.

“(2) **ALLOCATED FREQUENCIES.**—If the frequencies to be reclaimed have been allocated or assigned by the Commission, the President shall follow the procedures for substitution of frequencies established by section 114(b) of this part, except that the statement required by section 114(b)(1)(B) shall include—

“(A) a timetable to accommodate an orderly transition for licensees to obtain new frequencies and equipment necessary for its utilization; and

“(B) an estimate of the cost of displacing spectrum users licensed by the Commission.

“(c) **COSTS OF RECLAIMING FREQUENCIES.**—The Federal Government shall bear all costs of reclaiming frequencies pursuant to this section, including the cost of equipment which is rendered unusable, the cost of relocating operations to a different frequency, and any other costs that are directly attributable to the reclaiming of the frequency pursuant to this section, and there are authorized to be appropriated such sums as may be necessary to carry out the purposes of this section.

“(d) **EFFECTIVE DATE OF RECLAIMED FREQUENCIES.**—The Commission shall not withdraw licenses for any reclaimed frequencies until the end of the fiscal year following the fiscal year in which a statement under section 114(b)(1)(B) pertaining to such frequencies is received by the Commission.

47 USC 927.

“SEC. 117. EXISTING ALLOCATION AND TRANSFER AUTHORITY RETAINED.

“(a) **ADDITIONAL REALLOCATION.**—Nothing in this part prevents or limits additional reallocation of spectrum from the Federal Government to other users.

“(b) IMPLEMENTATION OF NEW TECHNOLOGIES AND SERVICES.—Notwithstanding any other provision of this part—

“(1) the Secretary may, consistent with section 104(e) of this Act, at any time allow frequencies allocated on a primary basis for Federal Government use to be used by non-Federal licensees on a mixed-use basis for the purpose of facilitating the prompt implementation of new technologies or services and for other purposes; and

“(2) the Commission shall make any allocation and licensing decisions with respect to such frequencies in a timely manner and in no event later than the date required by section 7 of the 1934 Act.”.

(b) CONFORMING AMENDMENT TO ENSURE COLLECTION OF FCC FEES.—Section 104 of the National Telecommunications and Information Administration Organization Act (47 U.S.C. 903) is amended by adding at the end the following new subsection:

“(A) no person or entity (other than an agency or instrumentality of the United States) shall be permitted, after 1 year after such date of enactment, to operate a radio station utilizing a frequency that is authorized for the use of government stations pursuant to section 103(b)(2)(A) of this Act for any non-government application unless such person or entity has submitted to the NTIA proof, in a form prescribed by such manual, that such person or entity has obtained a license from the Commission; and

“(B) no person or entity (other than an agency or instrumentality of the United States) shall be permitted, after 1 year after such date of enactment, to utilize a radio station belonging to the United States for any non-government application unless such person or entity has submitted to the NTIA proof, in a form prescribed by such manual, that such person or entity has obtained a license from the Commission.

“(3) **CERTIFICATION.—**Within 1 year after the date of enactment of this subsection, the Secretary and the NTIA shall certify to the Committee on Energy and Commerce of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate that—

“(A) the amendments required by paragraph (1) have been accomplished; and

“(B) the requirements of subparagraphs (A) and (B) of such paragraph are being enforced.”.

SEC. 6002. AUTHORITY TO USE COMPETITIVE BIDDING.

(a) USE OF COMPETITIVE BIDDING.—Section 309 of the Communications Act of 1934 (47 U.S.C. 309) is amended by adding at the end the following new subsection:

“(j) USE OF COMPETITIVE BIDDING.—

“(1) GENERAL AUTHORITY.—If mutually exclusive applications are accepted for filing for any initial license or construction permit which will involve a use of the electromagnetic spectrum described in paragraph (2), then the Commission shall have the authority, subject to paragraph (10), to grant such license or permit to a qualified applicant through the use of a system of competitive bidding that meets the requirements of this subsection.

“(2) USES TO WHICH BIDDING MAY APPLY.—A use of the electromagnetic spectrum is described in this paragraph if the Commission determines that—

“(A) the principal use of such spectrum will involve, or is reasonably likely to involve, the licensee receiving compensation from subscribers in return for which the licensee—

“(i) enables those subscribers to receive communications signals that are transmitted utilizing frequencies on which the licensee is licensed to operate; or

“(ii) enables those subscribers to transmit directly communications signals utilizing frequencies on which the licensee is licensed to operate; and

“(B) a system of competitive bidding will promote the objectives described in paragraph (3).

Regulations.

“(3) DESIGN OF SYSTEMS OF COMPETITIVE BIDDING.—For each class of licenses or permits that the Commission grants through the use of a competitive bidding system, the Commission shall, by regulation, establish a competitive bidding methodology. The Commission shall seek to design and test multiple alternative methodologies under appropriate circumstances. In identifying classes of licenses and permits to be issued by competitive bidding, in specifying eligibility and other characteristics of such licenses and permits, and in designing the methodologies for use under this subsection, the Commission shall include safeguards to protect the public interest in the use of the spectrum and shall seek to promote the purposes specified in section 1 of this Act and the following objectives:

“(A) the development and rapid deployment of new technologies, products, and services for the benefit of the public, including those residing in rural areas, without administrative or judicial delays;

“(B) promoting economic opportunity and competition and ensuring that new and innovative technologies are readily accessible to the American people by avoiding excessive concentration of licenses and by disseminating licenses among a wide variety of applicants, including small businesses, rural telephone companies, and businesses owned by members of minority groups and women;

“(C) recovery for the public of a portion of the value of the public spectrum resource made available for commercial use and avoidance of unjust enrichment through the methods employed to award uses of that resource; and

“(D) efficient and intensive use of the electromagnetic spectrum.

“(4) CONTENTS OF REGULATIONS.—In prescribing regulations pursuant to paragraph (3), the Commission shall—

“(A) consider alternative payment schedules and methods of calculation, including lump sums or guaranteed installment payments, with or without royalty payments, or other schedules or methods that promote the objectives described in paragraph (3)(B), and combinations of such schedules and methods;

“(B) include performance requirements, such as appropriate deadlines and penalties for performance failures, to ensure prompt delivery of service to rural areas, to prevent stockpiling or warehousing of spectrum by licensees or permittees, and to promote investment in and rapid deployment of new technologies and services;

“(C) consistent with the public interest, convenience, and necessity, the purposes of this Act, and the characteristics of the proposed service, prescribe area designations and bandwidth assignments that promote (i) an equitable distribution of licenses and services among geographic areas, (ii) economic opportunity for a wide variety of applicants, including small businesses, rural telephone companies, and businesses owned by members of minority groups and women, and (iii) investment in and rapid deployment of new technologies and services;

“(D) ensure that small businesses, rural telephone companies, and businesses owned by members of minority groups and women are given the opportunity to participate in the provision of spectrum-based services, and, for such purposes, consider the use of tax certificates, bidding preferences, and other procedures; and

“(E) require such transfer disclosures and antitrafficking restrictions and payment schedules as may be necessary to prevent unjust enrichment as a result of the methods employed to issue licenses and permits.

“(5) BIDDER AND LICENSEE QUALIFICATION.—No person shall be permitted to participate in a system of competitive bidding pursuant to this subsection unless such bidder submits such information and assurances as the Commission may require to demonstrate that such bidder’s application is acceptable for filing. No license shall be granted to an applicant selected pursuant to this subsection unless the Commission determines that the applicant is qualified pursuant to subsection (a) and sections 308(b) and 310. Consistent with the objectives described in paragraph (3), the Commission shall, by regulation, prescribe expedited procedures consistent with the procedures authorized by subsection (i)(2) for the resolution of any substantial and material issues of fact concerning qualifications.

Regulations.

“(6) RULES OF CONSTRUCTION.—Nothing in this subsection, or in the use of competitive bidding, shall—

“(A) alter spectrum allocation criteria and procedures established by the other provisions of this Act;

“(B) limit or otherwise affect the requirements of subsection (h) of this section, section 301, 304, 307, 310, or 706, or any other provision of this Act (other than subsections (d)(2) and (e) of this section);

“(C) diminish the authority of the Commission under the other provisions of this Act to regulate or reclaim spectrum licenses;

“(D) be construed to convey any rights, including any expectation of renewal of a license, that differ from the rights that apply to other licenses within the same service that were not issued pursuant to this subsection;

“(E) be construed to relieve the Commission of the obligation in the public interest to continue to use engineering solutions, negotiation, threshold qualifications, service regulations, and other means in order to avoid mutual exclusivity in application and licensing proceedings;

“(F) be construed to prohibit the Commission from issuing nationwide, regional, or local licenses or permits;

“(G) be construed to prevent the Commission from awarding licenses to those persons who make significant contributions to the development of a new telecommunications service or technology; or

“(H) be construed to relieve any applicant for a license or permit of the obligation to pay charges imposed pursuant to section 8 of this Act.

“(7) CONSIDERATION OF REVENUES IN PUBLIC INTEREST DETERMINATIONS.—

“(A) CONSIDERATION PROHIBITED.—In making a decision pursuant to section 303(c) to assign a band of frequencies to a use for which licenses or permits will be issued pursuant to this subsection, and in prescribing regulations pursuant to paragraph (4)(C) of this subsection, the Commission may not base a finding of public interest, convenience, and necessity on the expectation of Federal revenues from the use of a system of competitive bidding under this subsection.

“(B) CONSIDERATION LIMITED.—In prescribing regulations pursuant to paragraph (4)(A) of this subsection, the Commission may not base a finding of public interest, convenience, and necessity solely or predominantly on the expectation of Federal revenues from the use of a system of competitive bidding under this subsection.

“(C) CONSIDERATION OF DEMAND FOR SPECTRUM NOT AFFECTED.—Nothing in this paragraph shall be construed to prevent the Commission from continuing to consider consumer demand for spectrum-based services.

“(8) TREATMENT OF REVENUES.—

“(A) GENERAL RULE.—Except as provided in subparagraph (B), all proceeds from the use of a competitive bidding system under this subsection shall be deposited in the Treasury in accordance with chapter 33 of title 31, United States Code.

“(B) RETENTION OF REVENUES.—Notwithstanding subparagraph (A), the salaries and expenses account of the Commission shall retain as an offsetting collection such sums as may be necessary from such proceeds for the costs of developing and implementing the program required by this subsection. Such offsetting collections shall be available for obligation subject to the terms and conditions of the receiving appropriations account, and shall be deposited in such accounts on a quarterly basis. Any funds

appropriated to the Commission for fiscal years 1994 through 1998 for the purpose of assigning licenses using random selection under subsection (i) shall be used by the Commission to implement this subsection.

“(9) USE OF FORMER GOVERNMENT SPECTRUM.—The Commission shall, not later than 5 years after the date of enactment of this subsection, issue licenses and permits pursuant to this subsection for the use of bands of frequencies that—

“(A) in the aggregate span not less than 10 megahertz; and

“(B) have been reassigned from Government use pursuant to part B of the National Telecommunications and Information Administration Organization Act.

“(10) AUTHORITY CONTINGENT ON AVAILABILITY OF ADDITIONAL SPECTRUM.—

“(A) INITIAL CONDITIONS.—The Commission’s authority to issue licenses or permits under this subsection shall not take effect unless—

“(i) the Secretary of Commerce has submitted to the Commission the report required by section 113(d)(1) of the National Telecommunications and Information Administration Organization Act;

“(ii) such report recommends for immediate reallocation bands of frequencies that, in the aggregate, span not less than 50 megahertz;

“(iii) such bands of frequencies meet the criteria required by section 113(a) of such Act; and

“(iv) the Commission has completed the rule-making required by section 332(c)(1)(D) of this Act.

“(B) SUBSEQUENT CONDITIONS.—The Commission’s authority to issue licenses or permits under this subsection on and after 2 years after the date of the enactment of this subsection shall cease to be effective if—

“(i) the Secretary of Commerce has failed to submit the report required by section 113(a) of the National Telecommunications and Information Administration Organization Act;

“(ii) the President has failed to withdraw and limit assignments of frequencies as required by paragraphs (1) and (2) of section 114(a) of such Act;

“(iii) the Commission has failed to issue the regulations required by section 115(a) of such Act;

“(iv) the Commission has failed to complete and submit to Congress, not later than 18 months after the date of enactment of this subsection, a study of current and future spectrum needs of State and local government public safety agencies through the year 2010, and a specific plan to ensure that adequate frequencies are made available to public safety licensees; or

“(v) the Commission has failed under section 332(c)(3) to grant or deny within the time required by such section any petition that a State has filed within 90 days after the date of enactment of this subsection;

until such failure has been corrected.

Reports.

“(11) **TERMINATION.**—The authority of the Commission to grant a license or permit under this subsection shall expire September 30, 1998.

“(12) **EVALUATION.**—Not later than September 30, 1997, the Commission shall conduct a public inquiry and submit to the Congress a report—

“(A) containing a statement of the revenues obtained, and a projection of the future revenues, from the use of competitive bidding systems under this subsection;

“(B) describing the methodologies established by the Commission pursuant to paragraphs (3) and (4);

“(C) comparing the relative advantages and disadvantages of such methodologies in terms of attaining the objectives described in such paragraphs;

“(D) evaluating whether and to what extent—

“(i) competitive bidding significantly improved the efficiency and effectiveness of the process for granting radio spectrum licenses;

“(ii) competitive bidding facilitated the introduction of new spectrum-based technologies and the entry of new companies into the telecommunications market;

“(iii) competitive bidding methodologies have secured prompt delivery of service to rural areas and have adequately addressed the needs of rural spectrum users; and

“(iv) small businesses, rural telephone companies, and businesses owned by members of minority groups and women were able to participate successfully in the competitive bidding process; and

“(E) recommending any statutory changes that are needed to improve the competitive bidding process.”.

(b) **CONFORMING AMENDMENTS.**—

(1) **LIMITATIONS ON LOTTERIES.**—Section 309 of the Communications Act of 1934 (47 U.S.C. 309) is further amended—

(A) by striking subsection (i)(1) and inserting the following:

“(i) **RANDOM SELECTION.**—

“(1) **GENERAL AUTHORITY.**—If—

“(A) there is more than one application for any initial license or construction permit which will involve a use of the electromagnetic spectrum; and

“(B) the Commission has determined that the use is not described in subsection (j)(2)(A);

then the Commission shall have the authority to grant such license or permit to a qualified applicant through the use of a system of random selection.”; and

(B) in paragraph (4), by adding at the end the following new subparagraph:

“(C) Not later than 180 days after the date of enactment of this subparagraph, the Commission shall prescribe such transfer disclosures and antitrafficking restrictions and payment schedules as are necessary to prevent the unjust enrichment of recipients of licenses or permits as a result of the methods employed to issue licenses under this subsection.”.

(2) **REGULATORY TREATMENT TO ENHANCE AUCTION VALUE OF SPECTRUM LICENSES.**—

(A) AMENDMENT.—Section 332 of the Communications Act of 1934 (47 U.S.C. 332) is amended—

(i) by striking “PRIVATE LAND” from the heading of the section;

(ii) by striking “land” each place it appears in subsections (a) and (b); and

(iii) by striking subsection (c) and inserting the following:

“(c) REGULATORY TREATMENT OF MOBILE SERVICES.—

“(1) COMMON CARRIER TREATMENT OF COMMERCIAL MOBILE SERVICES.—(A) A person engaged in the provision of a service that is a commercial mobile service shall, insofar as such person is so engaged, be treated as a common carrier for purposes of this Act, except for such provisions of title II as the Commission may specify by regulation as inapplicable to that service or person. In prescribing or amending any such regulation, the Commission may not specify any provision of section 201, 202, or 208, and may specify any other provision only if the Commission determines that—

“(i) enforcement of such provision is not necessary in order to ensure that the charges, practices, classifications, or regulations for or in connection with that service are just and reasonable and are not unjustly or unreasonably discriminatory;

“(ii) enforcement of such provision is not necessary for the protection of consumers; and

“(iii) specifying such provision is consistent with the public interest.

“(B) Upon reasonable request of any person providing commercial mobile service, the Commission shall order a common carrier to establish physical connections with such service pursuant to the provisions of section 201 of this Act. Except to the extent that the Commission is required to respond to such a request, this subparagraph shall not be construed as a limitation or expansion of the Commission’s authority to order interconnection pursuant to this Act.

“(C) The Commission shall review competitive market conditions with respect to commercial mobile services and shall include in its annual report an analysis of those conditions. Such analysis shall include an identification of the number of competitors in various commercial mobile services, an analysis of whether or not there is effective competition, an analysis of whether any of such competitors have a dominant share of the market for such services, and a statement of whether additional providers or classes of providers in those services would be likely to enhance competition. As a part of making a determination with respect to the public interest under subparagraph (A)(iii), the Commission shall consider whether the proposed regulation (or amendment thereof) will promote competitive market conditions, including the extent to which such regulation (or amendment) will enhance competition among providers of commercial mobile services. If the Commission determines that such regulation (or amendment) will promote competition among providers of commercial mobile services, such determination may be the basis for a Commission finding that such regulation (or amendment) is in the public interest.

Regulations.

“(D) The Commission shall, not later than 180 days after the date of enactment of this subparagraph, complete a rule-making required to implement this paragraph with respect to the licensing of personal communications services, including making any determinations required by subparagraph (C).

“(2) NON-COMMON CARRIER TREATMENT OF PRIVATE MOBILE SERVICES.—A person engaged in the provision of a service that is a private mobile service shall not, insofar as such person is so engaged, be treated as a common carrier for any purpose under this Act. A common carrier (other than a person that was treated as a provider of a private land mobile service prior to the enactment of the Omnibus Budget Reconciliation Act of 1993) shall not provide any dispatch service on any frequency allocated for common carrier service, except to the extent such dispatch service is provided on stations licensed in the domestic public land mobile radio service before January 1, 1982. The Commission may by regulation terminate, in whole or in part, the prohibition contained in the preceding sentence if the Commission determines that such termination will serve the public interest.

“(3) STATE PREEMPTION.—(A) Notwithstanding sections 2(b) and 221(b), no State or local government shall have any authority to regulate the entry of or the rates charged by any commercial mobile service or any private mobile service, except that this paragraph shall not prohibit a State from regulating the other terms and conditions of commercial mobile services. Nothing in this subparagraph shall exempt providers of commercial mobile services (where such services are a substitute for land line telephone exchange service for a substantial portion of the communications within such State) from requirements imposed by a State commission on all providers of telecommunications services necessary to ensure the universal availability of telecommunications service at affordable rates. Notwithstanding the first sentence of this subparagraph, a State may petition the Commission for authority to regulate the rates for any commercial mobile service and the Commission shall grant such petition if such State demonstrates that—

“(i) market conditions with respect to such services fail to protect subscribers adequately from unjust and unreasonable rates or rates that are unjustly or unreasonably discriminatory; or

“(ii) such market conditions exist and such service is a replacement for land line telephone exchange service for a substantial portion of the telephone land line exchange service within such State.

The Commission shall provide reasonable opportunity for public comment in response to such petition, and shall, within 9 months after the date of its submission, grant or deny such petition. If the Commission grants such petition, the Commission shall authorize the State to exercise under State law such authority over rates, for such periods of time, as the Commission deems necessary to ensure that such rates are just and reasonable and not unjustly or unreasonably discriminatory.

“(B) If a State has in effect on June 1, 1993, any regulation concerning the rates for any commercial mobile service offered in such State on such date, such State may, no later than

1 year after the date of enactment of the Omnibus Budget Reconciliation Act of 1993, petition the Commission requesting that the State be authorized to continue exercising authority over such rates. If a State files such a petition, the State's existing regulation shall, notwithstanding subparagraph (A), remain in effect until the Commission completes all action (including any reconsideration) on such petition. The Commission shall review such petition in accordance with the procedures established in such subparagraph, shall complete all action (including any reconsideration) within 12 months after such petition is filed, and shall grant such petition if the State satisfies the showing required under subparagraph (A)(i) or (A)(ii). If the Commission grants such petition, the Commission shall authorize the State to exercise under State law such authority over rates, for such period of time, as the Commission deems necessary to ensure that such rates are just and reasonable and not unjustly or unreasonably discriminatory. After a reasonable period of time, as determined by the Commission, has elapsed from the issuance of an order under subparagraph (A) or this subparagraph, any interested party may petition the Commission for an order that the exercise of authority by a State pursuant to such subparagraph is no longer necessary to ensure that the rates for commercial mobile services are just and reasonable and not unjustly or unreasonably discriminatory. The Commission shall provide reasonable opportunity for public comment in response to such petition, and shall, within 9 months after the date of its submission, grant or deny such petition in whole or in part.

"(4) REGULATORY TREATMENT OF COMMUNICATIONS SATELLITE CORPORATION.—Nothing in this subsection shall be construed to alter or affect the regulatory treatment required by title IV of the Communications Satellite Act of 1962 of the corporation authorized by title III of such Act.

"(5) SPACE SEGMENT CAPACITY.—Nothing in this section shall prohibit the Commission from continuing to determine whether the provision of space segment capacity by satellite systems to providers of commercial mobile services shall be treated as common carriage.

"(6) FOREIGN OWNERSHIP.—The Commission, upon a petition for waiver filed within 6 months after the date of enactment of the Omnibus Budget Reconciliation Act of 1993, may waive the application of section 310(b) to any foreign ownership that lawfully existed before May 24, 1993, of any provider of a private land mobile service that will be treated as a common carrier as a result of the enactment of the Omnibus Budget Reconciliation Act of 1993, but only upon the following conditions:

"(A) The extent of foreign ownership interest shall not be increased above the extent which existed on May 24, 1993.

"(B) Such waiver shall not permit the subsequent transfer of ownership to any other person in violation of section 310(b).

"(d) DEFINITIONS.—For purposes of this section—

“SEC. 9. REGULATORY FEES.

47 USC 159.

“(a) **GENERAL AUTHORITY.**—The Commission, in accordance with this section, shall assess and collect regulatory fees to recover the costs of the following regulatory activities of the Commission: enforcement activities, policy and rulemaking activities, user information services, and international activities.

“(b) **ESTABLISHMENT AND ADJUSTMENT OF REGULATORY FEES.**—

“(1) IN GENERAL.—The fees assessed under subsection (a) shall—

“(A) be derived by determining the full-time equivalent number of employees performing the activities described in subsection (a) within the Private Radio Bureau, Mass Media Bureau, Common Carrier Bureau, and other offices of the Commission, adjusted to take into account factors that are reasonably related to the benefits provided to the payor of the fee by the Commission’s activities, including such factors as service area coverage, shared use versus exclusive use, and other factors that the Commission determines are necessary in the public interest;

“(B) be established at amounts that will result in collection, during each fiscal year, of an amount that can reasonably be expected to equal the amount appropriated for such fiscal year for the performance of the activities described in subsection (a); and

“(C) until adjusted or amended by the Commission pursuant to paragraph (2) or (3), be the fees established by the Schedule of Regulatory Fees in subsection (g).

“(2) MANDATORY ADJUSTMENT OF SCHEDULE.—For any fiscal year after fiscal year 1994, the Commission shall, by rule, revise the Schedule of Regulatory Fees by proportionate increases or decreases to reflect, in accordance with paragraph (1)(B), changes in the amount appropriated for the performance of the activities described in subsection (a) for such fiscal year. Such proportionate increases or decreases shall—

“(A) be adjusted to reflect, within the overall amounts described in appropriations Acts under the authority of paragraph (1)(A), unexpected increases or decreases in the number of licensees or units subject to payment of such fees; and

“(B) be established at amounts that will result in collection of an aggregate amount of fees pursuant to this section that can reasonably be expected to equal the aggregate amount of fees that are required to be collected by appropriations Acts pursuant to paragraph (1)(B).

Increases or decreases in fees made by adjustments pursuant to this paragraph shall not be subject to judicial review. In making adjustments pursuant to this paragraph the Commission may round such fees to the nearest \$5 in the case of fees under \$1,000, or to the nearest \$25 in the case of fees of \$1,000 or more.

“(3) PERMITTED AMENDMENTS.—In addition to the adjustments required by paragraph (2), the Commission shall, by regulation, amend the Schedule of Regulatory Fees if the Commission determines that the Schedule requires amendment to comply with the requirements of paragraph (1)(A). In making such amendments, the Commission shall add, delete, or reclassify services in the Schedule to reflect additions, deletions, or changes in the nature of its services as a consequence of Commission rulemaking proceedings or changes in law. Increases or decreases in fees made by amendments pursuant to this paragraph shall not be subject to judicial review.

“(3) REVOCATIONS.—In addition to or in lieu of the penalties and dismissals authorized by paragraphs (1) and (2), the Commission may revoke any instrument of authorization held by any entity that has failed to make payment of a regulatory fee assessed pursuant to this section. Such revocation action may be taken by the Commission after notice of the Commission's intent to take such action is sent to the licensee by registered mail, return receipt requested, at the licensee's last known address. The notice will provide the licensee at least 30 days to either pay the fee or show cause why the fee does not apply to the licensee or should otherwise be waived or payment deferred. A hearing is not required under this subsection unless the licensee's response presents a substantial and material question of fact. In any case where a hearing is conducted pursuant to this section, the hearing shall be based on written evidence only, and the burden of proceeding with the introduction of evidence and the burden of proof shall be on the licensee. Unless the licensee substantially prevails in the hearing, the Commission may assess the licensee for the costs of such hearing. Any Commission order adopted pursuant to this subsection shall determine the amount due, if any, and provide the licensee with at least 30 days to pay that amount or have its authorization revoked. No order of revocation under this subsection shall become final until the licensee has exhausted its right to judicial review of such order under section 402(b)(5) of this title.

“(d) WAIVER, REDUCTION, AND DEFERMENT.—The Commission may waive, reduce, or defer payment of a fee in any specific instance for good cause shown, where such action would promote the public interest.

“(1) IN GENERAL.—The Commission shall prescribe appropriate rules and regulations to carry out the provisions of this section. Such rules and regulations shall permit payment by installments in the case of fees in large amounts, and in the case of fees in small amounts, shall require the payment

“(B) Except as provided in subparagraph (C), the formulary includes the covered outpatient drugs of any manufacturer which has entered into and complies with an agreement under subsection (a) (other than any drug excluded from coverage or otherwise restricted under paragraph (2)).

“(C) A covered outpatient drug may be excluded with respect to the treatment of a specific disease or condition for an identified population (if any) only if, based on the drug's labeling (or, in the case of a drug the prescribed use of which is not approved under the Federal Food, Drug, and Cosmetic Act but is a medically accepted indication, based on information from the appropriate compendia described in subsection (k)(6)), the excluded drug does not have a significant, clinically meaningful therapeutic advan-

(a) **IN GENERAL.**—Section 1903 (42 U.S.C.1396b) is amended by inserting after subsection (r) the following new subsection:

42 USC 1396a

(2) by inserting after section 1927 the following new section:

42 USC 1396s,
1396v.

“PROGRAM FOR DISTRIBUTION OF PEDIATRIC VACCINES

“SEC. 1928. (a) ESTABLISHMENT OF PROGRAM.—

“(1) IN GENERAL.—In order to meet the requirement of section 1902(a)(62), each State shall establish a pediatric vaccine distribution program (which may be administered by the State department of health), consistent with the requirements of this section, under which—

42 USC 1396s.

“(A) each vaccine-eligible child (as defined in subsection (b)), in receiving an immunization with a qualified pediatric vaccine (as defined in subsection (h)(8)) from a program-registered provider (as defined in subsection (c)) on or after October 1, 1994, is entitled to receive the immunization without charge for the cost of such vaccine; and

“(B)(i) each program-registered provider who administers such a pediatric vaccine to a vaccine-eligible child on or after such date is entitled to receive such vaccine under the program without charge either for the vaccine or its delivery to the provider, and (ii) no vaccine is distributed under the program to a provider unless the provider is a program-registered provider.

“(2) DELIVERY OF SUFFICIENT QUANTITIES OF PEDIATRIC VACCINES TO IMMUNIZE FEDERALLY VACCINE-ELIGIBLE CHILDREN.—

“(A) IN GENERAL.—The Secretary shall provide under subsection (d) for the purchase and delivery on behalf of each State meeting the requirement of section 1902(a)(62) (or, with respect to vaccines administered by an Indian tribe or tribal organization to Indian children, directly to the tribe or organization), without charge to the State, of such quantities of qualified pediatric vaccines as may be necessary for the administration of such vaccines to all federally vaccine-eligible children in the State on or after October 1, 1994. This paragraph constitutes budget authority in advance of appropriations Acts, and represents the obligation of the Federal Government to provide for the purchase and delivery to States of the vaccines (or payment under subparagraph (C)) in accordance with this paragraph.

“(B) SPECIAL RULES WHERE VACCINE IS UNAVAILABLE.—To the extent that a sufficient quantity of a vaccine is not available for purchase or delivery under subsection (d), the Secretary shall provide for the purchase and delivery of the available vaccine in accordance with priorities established by the Secretary, with priority given to federally vaccine-eligible children unless the Secretary finds there are other public health considerations.

“(C) SPECIAL RULES WHERE STATE IS A MANUFACTURER.—

“(i) **PAYMENTS IN LIEU OF VACCINES.**—In the case of a State that manufactures a pediatric vaccine the Secretary, instead of providing the vaccine on behalf of a State under subparagraph (A), shall provide to the State an amount equal to the value of the quantity of such vaccine that otherwise would have been delivered on behalf of the State under such subparagraph, but only if the State agrees that such payments will only be used for purposes relating to pediatric immunizations.

“(ii) **DETERMINATION OF VALUE.**—In determining the amount to pay a State under clause (i) with respect to a pediatric vaccine, the value of the quantity of vaccine shall be determined on the basis of the price in effect for the qualified pediatric vaccine under contracts under subsection (d). If more than 1 such contract is in effect, the Secretary shall determine such value on the basis of the average of the prices under the contracts, after weighting each such price in relation to the quantity of vaccine under the contract involved.

“(b) **VACCINE-ELIGIBLE CHILDREN.**—For purposes of this section:

“(1) **IN GENERAL.**—The term ‘vaccine-eligible child’ means a child who is a federally vaccine-eligible child (as defined in paragraph (2)) or a State vaccine-eligible child (as defined in paragraph (3)).

“(2) **FEDERALLY VACCINE-ELIGIBLE CHILD.**—

“(A) **IN GENERAL.**—The term ‘federally vaccine-eligible child’ means any of the following children:

“(i) A medicaid-eligible child.

“(ii) A child who is not insured.

“(iii) A child who (I) is administered a qualified pediatric vaccine by a federally-qualified health center (as defined in section 1905(1)(2)(B)) or a rural health clinic (as defined in section 1905(1)(1)), and (II) is not insured with respect to the vaccine.

“(iv) A child who is an Indian (as defined in subsection (h)(3)).

“(B) **DEFINITIONS.**—In subparagraph (A):

“(i) The term ‘medicaid-eligible’ means, with respect to a child, a child who is entitled to medical assistance under a state plan approved under this title.

“(ii) The term ‘insured’ means, with respect to a child—

“(I) for purposes of subparagraph (A)(ii), that the child is enrolled under, and entitled to benefits under, a health insurance policy or plan, including a group health plan, a prepaid health plan, or an employee welfare benefit plan under the Employee Retirement Income Security Act of 1974; and

“(II) for purposes of subparagraph (A)(iii)(II) with respect to a pediatric vaccine, that the child is entitled to benefits under such a health insurance policy or plan, but such benefits are not

available with respect to the cost of the pediatric vaccine.

"(3) **STATE VACCINE-ELIGIBLE CHILD.**—The term 'State vaccine-eligible child' means, with respect to a State and a qualified pediatric vaccine, a child who is within a class of children for which the State is purchasing the vaccine pursuant to subsection (d)(4)(B).

"(c) **PROGRAM-REGISTERED PROVIDERS.**—

"(1) **DEFINED.**—In this section, except as otherwise provided, the term 'program-registered provider' means, with respect to a State, any health care provider that—

"(A) is licensed or otherwise authorized for administration of pediatric vaccines under the law of the State in which the administration occurs (subject to section 333(e) of the Public Health Service Act), without regard to whether or not the provider participates in the plan under this title;

"(B) submits to the State an executed provider agreement described in paragraph (2); and

"(C) has not been found, by the Secretary or the State, to have violated such agreement or other applicable requirements established by the Secretary or the State consistent with this section.

"(2) **PROVIDER AGREEMENT.**—A provider agreement for a provider under this paragraph is an agreement (in such form and manner as the Secretary may require) that the provider agrees as follows:

"(A)(i) Before administering a qualified pediatric vaccine to a child, the provider will ask a parent of the child such questions as are necessary to determine whether the child is a vaccine-eligible child, but the provider need not independently verify the answers to such questions.

"(ii) The provider will, for a period of time specified by the Secretary, maintain records of responses made to the questions.

"(iii) The provider will, upon request, make such records available to the State and to the Secretary, subject to section 1902(a)(7).

"(B)(i) Subject to clause (ii), the provider will comply with the schedule, regarding the appropriate periodicity, dosage, and contraindications applicable to pediatric vaccines, that is established and periodically reviewed and, as appropriate, revised by the advisory committee referred to in subsection (e), except in such cases as, in the provider's medical judgment subject to accepted medical practice, such compliance is medically inappropriate.

"(ii) The provider will provide pediatric vaccines in compliance with applicable State law, including any such law relating to any religious or other exemption.

"(C)(i) In administering a qualified pediatric vaccine to a vaccine-eligible child, the provider will not impose a charge for the cost of the vaccine. A program-registered provider is not required under this section to administer such a vaccine to each child for whom an immunization with the vaccine is sought from the provider.

"(ii) The provider may impose a fee for the administration of a qualified pediatric vaccine so long as the fee

in the case of a federally vaccine-eligible child does not exceed the costs of such administration (as determined by the Secretary based on actual regional costs for such administration).

“(iii) The provider will not deny administration of a qualified pediatric vaccine to a vaccine-eligible child due to the inability of the child’s parent to pay an administration fee.

“(3) ENCOURAGING INVOLVEMENT OF PROVIDERS.—Each program under this section shall provide, in accordance with criteria established by the Secretary—

“(A) for encouraging the following to become program-registered providers: private health care providers, the Indian Health Service, health care providers that receive funds under title V of the Indian Health Care Improvement Act, and health programs or facilities operated by Indian tribes or tribal organizations; and

“(B) for identifying, with respect to any population of vaccine-eligible children a substantial portion of whose parents have a limited ability to speak the English language, those program-registered providers who are able to communicate with the population involved in the language and cultural context that is most appropriate.

“(4) STATE REQUIREMENTS.—Except as the Secretary may permit in order to prevent fraud and abuse and for related purposes, a State may not impose additional qualifications or conditions, in addition to the requirements of paragraph (1), in order that a provider qualify as a program-registered provider under this section. This subsection does not limit the exercise of State authority under section 1915(b).

“(d) NEGOTIATION OF CONTRACTS WITH MANUFACTURERS.—

“(1) IN GENERAL.—For the purpose of meeting obligations under this section, the Secretary shall negotiate and enter into contracts with manufacturers of pediatric vaccines consistent with the requirements of this subsection and, to the maximum extent practicable, consolidate such contracting with any other contracting activities conducted by the Secretary to purchase vaccines. The Secretary may enter into such contracts under which the Federal Government is obligated to make outlays, the budget authority for which is not provided for in advance in appropriations Acts, for the purchase and delivery of pediatric vaccines under subsection (a)(2)(A).

“(2) AUTHORITY TO DECLINE CONTRACTS.—The Secretary may decline to enter into such contracts and may modify or extend such contracts.

“(3) CONTRACT PRICE.—

“(A) IN GENERAL.—The Secretary, in negotiating the prices at which pediatric vaccines will be purchased and delivered from a manufacturer under this subsection, shall take into account quantities of vaccines to be purchased by States under the option under paragraph (4)(B).

“(B) NEGOTIATION OF DISCOUNTED PRICE FOR CURRENT VACCINES.—With respect to contracts entered into under this subsection for a pediatric vaccine for which the Centers for Disease Control and Prevention has a contract in effect under section 317(j)(1) of the Public Health Service Act as of May 1, 1993, no price for the purchase of such

vaccine for vaccine-eligible children shall be agreed to by the Secretary under this subsection if the price per dose of such vaccine (including delivery costs and any applicable excise tax established under section 4131 of the Internal Revenue Code of 1986) exceeds the price per dose for the vaccine in effect under such a contract as of such date increased by the percentage increase in the consumer price index for all urban consumers (all items; United States city average) from May 1993 to the month before the month in which such contract is entered into.

“(C) NEGOTIATION OF DISCOUNTED PRICE FOR NEW VACCINES.—With respect to contracts entered into for a pediatric vaccine not described in subparagraph (B), the price for the purchase of such vaccine shall be a discounted price negotiated by the Secretary that may be established without regard to such subparagraph.

“(4) QUANTITIES AND TERMS OF DELIVERY.—Under such contracts—

“(A) the Secretary shall provide, consistent with paragraph (6), for the purchase and delivery on behalf of States (and tribes and tribal organizations) of quantities of pediatric vaccines for federally vaccine-eligible children; and

“(B) each State, at the option of the State, shall be permitted to obtain additional quantities of pediatric vaccines (subject to amounts specified to the Secretary by the State in advance of negotiations) through purchasing the vaccines from the manufacturers at the applicable price negotiated by the Secretary consistent with paragraph (3), if (i) the State agrees that the vaccines will be used to provide immunizations only for children who are not federally vaccine-eligible children and (ii) the State provides to the Secretary such information (at a time and manner specified by the Secretary, including in advance of negotiations under paragraph (1)) as the Secretary determines to be necessary, to provide for quantities of pediatric vaccines for the State to purchase pursuant to this subsection and to determine annually the percentage of the vaccine market that is purchased pursuant to this section and this subparagraph.

The Secretary shall enter into the initial negotiations under the preceding sentence not later than 180 days after the date of the enactment of the Omnibus Budget Reconciliation Act of 1993.

“(5) CHARGES FOR SHIPPING AND HANDLING.—The Secretary may enter into a contract referred to in paragraph (1) only if the manufacturer involved agrees to submit to the Secretary such reports as the Secretary determines to be appropriate to assure compliance with the contract and if, with respect to a State program under this section that does not provide for the direct delivery of qualified pediatric vaccines, the manufacturer involved agrees that the manufacturer will provide for the delivery of the vaccines on behalf of the State in accordance with such program and will not impose any charges for the costs of such delivery (except to the extent such costs are provided for in the price established under paragraph (3)).

“(6) ASSURING ADEQUATE SUPPLY OF VACCINES.—The Secretary, in negotiations under paragraph (1), shall negotiate

for quantities of pediatric vaccines such that an adequate supply of such vaccines will be maintained to meet unanticipated needs for the vaccines. For purposes of the preceding sentence, the Secretary shall negotiate for a 6-month supply of vaccines in addition to the quantity that the Secretary otherwise would provide for in such negotiations. In carrying out this paragraph, the Secretary shall consider the potential for outbreaks of the diseases with respect to which the vaccines have been developed.

“(7) MULTIPLE SUPPLIERS.—In the case of the pediatric vaccine involved, the Secretary shall, as appropriate, enter into a contract referred to in paragraph (1) with each manufacturer of the vaccine that meets the terms and conditions of the Secretary for an award of such a contract (including terms and conditions regarding safety and quality). With respect to multiple contracts entered into pursuant to this paragraph, the Secretary may have in effect different prices under each of such contracts and, with respect to a purchase by States pursuant to paragraph (4)(B), the Secretary shall determine which of such contracts will be applicable to the purchase.

“(e) USE OF PEDIATRIC VACCINES LIST.—The Secretary shall use, for the purpose of the purchase, delivery, and administration of pediatric vaccines under this section, the list established (and periodically reviewed and as appropriate revised) by the Advisory Committee on Immunization Practices (an advisory committee established by the Secretary, acting through the Director of the Centers for Disease Control and Prevention).

“(f) REQUIREMENT OF STATE MAINTENANCE OF IMMUNIZATION LAWS.—In the case of a State that had in effect as of May 1, 1993, a law that requires some or all health insurance policies or plans to provide some coverage with respect to a pediatric vaccine, a State program under this section does not comply with the requirements of this section unless the State certifies to the Secretary that the State has not modified or repealed such law in a manner that reduces the amount of coverage so required.

“(g) TERMINATION.—This section, and the requirement of section 1902(a)(62), shall cease to be in effect beginning on such date as may be prescribed in Federal law providing for immunization services for all children as part of a broad-based reform of the national health care system.

“(h) DEFINITIONS.—For purposes of this section:

“(1) The term ‘child’ means an individual 18 years of age or younger.

“(2) The term ‘immunization’ means an immunization against a vaccine-preventable disease.

“(3) The terms ‘Indian’, ‘Indian tribe’ and ‘tribal organization’ have the meanings given such terms in section 4 of the Indian Health Care Improvement Act.

[H.J. Res. 110]

To authorize the Administrator of the Federal Aviation Administration to conduct appropriate programs and activities to acknowledge the status of the county of Fond du Lac, Wisconsin, as the "World Capital of Aerobatics", and for other purposes.

Whereas the International Aerobic Club, which was founded on February 6, 1970, held its first championships in August 1970 in the county of Fond du Lac, Wisconsin;

Whereas in 1992 the International Aerobic Club had 5,342 members throughout the world, representatives of which gathered in Fond du Lac to compete in the 23d Annual Aerobic Championships during the period of August 9-14, 1992;

Whereas in 1992 the Experimental Aircraft Association and the Board of Directors of the International Aerobic Club named Fond du Lac as the "World Capital of Aerobatics";

Whereas participants and spectators drawn to the aerobic championships in Fond du Lac stimulate the economic well-being of the community and provide a spectator event of international significance; and

Whereas Congress declares that the county of Fond du Lac, Wisconsin, is the "World Capital of Aerobatics": Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the Administrator of the Federal Aviation Administration may conduct appropriate programs and activities at the Fond du Lac County Airport to acknowledge the status of the county of Fond du Lac, Wisconsin, as the "World Capital of Aerobatics", and that the airport may display signs notifying the public of such status.

Joint Resolution

To designate September 13, 1993, as "Commodore John Barry Day".

Aug. 11, 1993
[H.J. Res. 157]

Whereas the United States of America is a nation of immigrants and the contributions of Irish immigrants and their descendants to the defense of the public liberty has been a hallmark of Irish Americans;

Whereas during the War for Independence Captain John Barry, a native of County Wexford, Ireland, achieved the first victory for the Continental Navy while in command of the ship "Lexington" by capturing the British ship "Edward", organizing General George Washington's crossing of the Delaware River which led to the victory at Trenton in 1776, transported gold from France to America while in command of the ship "Alliance", and achieved the last victory of the war for the Continental Navy while in command of "Alliance" by defeating the British ship HMS "Sybille";

Whereas during the War for Independence Captain John Barry rejected British General Lord Howe's offer to desert the Continental Navy and join the British Navy, stating: "Not the value and command of the whole British fleet can lure me from the cause of my country.";

Whereas after the War for Independence the United States Congress recognized John Barry as the premier American naval hero of that war;

Whereas in 1787 Captain John Barry organized the compulsory attendance of members of the Pennsylvania Assembly in Philadelphia, thus ensuring the quorum necessary to call a Convention and recommend the ratification of the Constitution;

Whereas on June 14, 1794, pursuant to "Commission No. 1", President Washington commissioned John Barry as commodore in the new United States Navy;

Whereas Commodore John Barry helped to build and lead the new United States Navy which included his command of the U.S.S. "United States" and the U.S.S. "Constitution" ("Old Ironsides");

Whereas Commodore John Barry is recognized along with General Stephen Moylan in the Statue of Liberty Museum as one of six foreign-born great leaders of the War for Independence;

Whereas in 1991 and 1992 President George Bush proclaimed September 13 as "Commodore John Barry Day"; and

Whereas designating a day to commemorate Commodore John Barry would be important to United States Navy veterans, Irish Americans, and to all the people of the United States: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That September 13, 1993, is designated as "Commodore John Barry Day", and the President of the United States is authorized and requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities.

Public Law 103-74
103d Congress

Joint Resolution

Designating September 9, 1993, and April 21, 1994, each as “National D.A.R.E. Day”.

Aug. 11, 1993
[S.J. Res. 99]

Whereas Drug Abuse Resistance Education (in this joint resolution referred to as “D.A.R.E.”) is the largest and most effective drug-use prevention education program in the United States, and is now taught to 25,000,000 youths in grades K–12;

Whereas D.A.R.E. is taught in more than 250,000 classrooms reaching all 50 States, Australia, New Zealand, American Samoa, Canada, Puerto Rico, the Virgin Islands, Costa Rica, Mexico, Brazil, Hungary, and Department of Defense Dependent Schools worldwide;

Whereas the D.A.R.E. core curriculum, developed by the Los Angeles Police Department and the Los Angeles Unified School District, helps prevent substance abuse among school-age children by providing students with accurate information about alcohol and drugs, teaching students decision-making skills, educating students about the consequences of certain behaviors, and building students’ self-esteem while teaching them how to resist peer pressure;

Whereas D.A.R.E. provides parents with information and guidance to further the development of their children and reinforce the decisions of their children to lead drug-free lives;

Whereas D.A.R.E. is taught by street-wise veteran police officers with years of direct experience with people whose lives were ruined by substance abuse, giving them unmatched credibility;

Whereas each police officer who teaches D.A.R.E. completes 80 hours of specialized training in areas such as child development, classroom management, teaching techniques, and communication skills;

Whereas independent research has found that D.A.R.E. substantially impacts students’ attitudes toward substance use, contributes to improved study habits, higher grades, decreased vandalism and gang activity, and generates greater respect for police officers; and

Whereas 1993 marks the 10th year that D.A.R.E. has provided students with the skills they will need as young adults to resist the temptations of drug abuse: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That September 9, 1993, and April 21, 1994, are each designated as “National

D.A.R.E. Day”, and the President of the United States is authorized and requested to issue a proclamation calling upon the people of the United States to observe such days with appropriate ceremonies and activities.

SENSE OF THE SENATE ON BOSNIA

(a) The Senate finds that:

(1) Numerous atrocities have been reported on the conflict in the former Yugoslavia;

(2) Such atrocities against innocent civilians and prisoners would violate universally accepted law as embodied in the Geneva Conventions of August 12, 1949 for the Protection of War Victims; the Hague Convention (IV) Respecting the Laws and Customs of War on Land and the Regulations annexed thereto of October 18, 1907; the Convention on the Prevention and Punishment of the Crime of Genocide of December 9, 1948; and the Charter of the International Military Tribunal of August 8, 1945;

(3) In October 1992 the United Nations Security Council adopted Resolution 780 establishing a Commission of Experts to gather and evaluate evidence of such war crimes;

(4) The Commission of Experts submitted an interim report dated January 26, 1993 which concluded that grave breaches and other violations of international humanitarian law had been committed in the territory of the former Yugoslavia, including willful killing, "ethnic cleansing", mass killings, tor-

ture, rape, pillage, and destruction of civilian property, destruction of cultural and religious property and arbitrary arrests;

(5) The Commission of Experts has been hindered in carrying out fully its legal charge because of insufficient resources;

(6) On February 22, 1993, the United Nations Security Council adopted Resolution 808 establishing an international tribunal to try individuals accused of the commission of war crimes in the former Yugoslavia;

(7) On May 3, 1993, the Secretary General of the United Nations issued his report which established the procedures for an international war crimes tribunal;

(8) The United Nations is presently in the process of selecting judges and prosecutors for the international war crimes tribunal;

(9) According to reports, the atrocities in the former Yugoslavia continue unabated; and

(10) There is a dire need to establish promptly the tribunal and commence prosecution of alleged war criminals: Now, therefore.

(b) The Senate hereby commends the United Nations for its recognition of the importance and necessity of the rule of law as evidenced by its establishment of an international tribunal for the prosecution of war crimes in the former Yugoslavia.

(c) It is the sense of the Senate that the United Nations should—

(1) expedite the selection of judges and prosecutors for the tribunal in order to begin prosecutions of alleged war criminals; and

(2) provide all assistance necessary to continue gathering evidence for such prosecutions.

16 USC 1132
note.

(e) BUFFER ZONES.—Congress does not intend that the designation by this Act of wilderness areas in the State of Colorado creates or implies the creation of protective perimeters or buffer zones around any wilderness area. The fact that nonwilderness activities or uses can be seen or heard from within a wilderness area shall not, of itself, preclude such activities or uses up to the boundary of the wilderness area.

(f) WILDERNESS NAME CHANGE.—The wilderness area designated as “Big Blue Wilderness” by section 102(a)(1) of Public Law 96-560, and the additions thereto made by paragraphs (1) and (2) of section 2(a) of this Act, shall hereafter be known as the Uncompahgre Wilderness. Such authorizations shall be administered by the Secretary of Agriculture. Any renewal or extension of such authorizations shall be subject to the laws and regulations pertaining to the Forest Service, Department of Agriculture, and the applicable law, including this Act. The change of administrative jurisdiction resulting from the enactment of this section shall not in itself constitute a basis for denying or approving the renewal or reissuance of any such authorization.

(d) **TIMBER HARVESTING.**—No timber harvesting shall be allowed within the recreation management area except to the extent that would be permitted in wilderness under section 4(d)(1) of the Wilderness Act for necessary control of fire, insects, and diseases, and for public safety.

(e) **LIVESTOCK GRAZING.**—The designation of the recreation management area shall not be construed to prohibit, or change the administration of, the grazing of livestock within the recreation management area.

(f) **DEVELOPMENT.**—No developed campgrounds shall be constructed within the recreation management area. After the date of enactment of this Act, no new roads or trails may be constructed within the recreation management area.

SEC. 7. OTHER LANDS.

Nothing in this Act shall affect ownership or use of lands or interests therein not owned by the United States or access to such lands available under other applicable law.

SEC. 8. WATER.

(a) **FINDINGS, PURPOSE, AND DEFINITION.**—(1) Congress finds that—

(A) the lands designated as wilderness by this Act are located at the headwaters of the streams and rivers on those lands, with few, if any, actual or proposed water resource facilities located upstream from such lands and few, if any, opportunities for diversion, storage, or other uses of water occurring outside such lands that would adversely affect the wilderness values of such lands; and

(B) the lands designated as wilderness by this Act are not suitable for use for development of new water resource facilities, or for the expansion of existing facilities; and

(C) therefore, it is possible to provide for proper management and protection of the wilderness value of such lands in ways different from those utilized in other legislation designating as wilderness lands not sharing the attributes of the lands designated as wilderness by this Act.

(2) The purpose of this section is to protect the wilderness values of the lands designated as wilderness by this Act by means other than those based on a Federal reserved water right.

(3) As used in this section, the term “water resource facility” means irrigation and pumping facilities, reservoirs, water conservation works, aqueducts, canals, ditches, pipelines, wells, hydropower projects, and transmission and other ancillary facilities, and other water diversion, storage, and carriage structures.

(b) **RESTRICTIONS ON RIGHTS AND DISCLAIMER OF EFFECT.**—

(1) Neither the Secretary of Agriculture nor the Secretary of the Interior, nor any other officer, employee, representative, or agent of the United States, nor any other person, shall assert in any court or agency, nor shall any court or agency consider, any claim to or for water or water rights in the State of Colorado, which is based on any construction of any portion of this Act, or the designation of any lands as wilderness by this Act, as constituting an express or implied reservation of water or water rights.

(2)(A) Nothing in this Act shall constitute or be construed to constitute either an express or implied reservation of any water or water rights with respect to the Piedra, Roubideau, and Tabeguache areas identified in section 9 of this Act, or the Bowen Gulch Protection Area or the Fossil Ridge Recreation Management Area identified in sections 5 and 6 of this Act.

(B) Nothing in this Act shall be construed as a creation, recognition, disclaimer, relinquishment, or reduction of any water rights of the United States in the State of Colorado existing before the date of enactment of this Act, except as provided in subsection (g)(2) of this section.

(C) Except as provided in subsection (g) of this section, nothing in this Act shall be construed as constituting an interpretation of any other Act or any designation made by or pursuant thereto.

(D) Nothing in this section shall be construed as establishing a precedent with regard to any future wilderness designations.

(c) **NEW OR EXPANDED PROJECTS.**—Notwithstanding any other provision of law, on and after the date of enactment of this Act neither the President nor any other officer, employee, or agent of the United States shall fund, assist, authorize, or issue a license or permit for the development of any new water resource facility within the areas described in sections 2, 5, 6, and 9 of this Act

or the enlargement of any water resource facility within the areas described in sections 2, 5, 6, and 9 of this Act.

(d) ACCESS AND OPERATION.—(1) Subject to the provisions of this subsection (d), the Secretary shall allow reasonable access to water resource facilities in existence on the date of enactment of this Act within the areas described in sections 2, 5, 6, and 9 of this Act, including motorized access where necessary and customarily employed on routes existing as of the date of enactment of this Act.

(2) Existing access routes within such areas customarily employed as of the date of enactment of this Act may be used, maintained, repaired, and replaced to the extent necessary to maintain their present function, design, and serviceable operation, so long as such activities have no increased adverse impacts on the resources and values of the areas described in sections 2, 5, 6, and 9 of this Act than existed as of the date of enactment of this Act.

(3) Subject to the provisions of subsections (c) and (d), the Secretary shall allow water resource facilities existing on the date of enactment of this Act within areas described in sections 2, 5, 6, and 9 of this Act to be used, operated, maintained, repaired, and replaced to the extent necessary for the continued exercise, in accordance with Colorado State law, of vested water rights adjudicated for use in connection with such facilities by a court of competent jurisdiction prior to the date of enactment of this Act: *Provided*, That the impact of an existing facility on the water resources and values of the area shall not be increased as a result of changes in the adjudicated type of use of such facility as of the date of enactment of this Act.

(4) Water resource facilities, and access routes serving such facilities, existing within the areas described in sections 2, 5, 6, and 9 of this Act on the date of enactment of this Act shall be maintained and repaired when and to the extent necessary to prevent increased adverse impacts on the resources and values of the areas described in sections 2, 5, 6, and 9 of this Act.

(e) EXISTING PROJECTS.—Except as provided in subsections (c) and (d) of this section, the provisions of this Act related to the areas described in sections 2, 5, 6, and 9 of this Act, and the inclusion in the National Wilderness Preservation System of the areas described in section 2 of this Act, shall not be construed to affect or limit the use, operation, maintenance, repair, modification, or replacement of water resources facilities in existence on the date of enactment of this Act within the boundaries of the areas described in sections 2, 5, 6, and 9 of this Act.

Except as expressly provided in this section, nothing in this Act shall affect or limit the develop-

ment or use by existing and future holders of vested water rights of Colorado's full apportionment of such waters.

(2) Notwithstanding any other provision of law, neither the Secretary of Agriculture nor any other officer, employee, or agent of the United States, or any other person, shall assert in any court or agency of the United States or any other jurisdiction any rights, and no court or agency of the United States shall consider any claim or defense asserted by any person based upon such rights, which may be determined to have been established for waters of the North Platte River for purposes of the Platte River Wilderness Area established by Public Law 98-550, located on the Colorado-Wyoming State boundary, to the extent such rights would limit the use or development of water within Colorado by present and future holders of vested water rights in the North Platte River and its tributaries, to the full extent allowed under interstate compact or United States Supreme Court equitable decree. Any such rights shall be exercised as if junior to, in a manner so as not to prevent, the use or development of Colorado's full entitlement to interstate waters of the North Platte River and its tributaries within Colorado allowed under interstate compact or United States Supreme Court equitable decree.
